The New Year Offers a New Parent Volunteer Opportunity!
Willard Elementary School now offers a Student Mentorship Volunteer Program!

The goal of the new program is to encourage parent/guardian and student interaction during the school day. Mentoring programs enrich children’s lives by helping to meet their need for positive adult contact and advocacy. Encouraging mentoring experiences with successful parent involvement improves not only student behavior and attendance but also positively affects student achievement.

With several volunteer times available in the afternoon, select the option(s) that best fit your schedule. Volunteer on a weekly or monthly schedule, with the option to commit throughout the remainder of the school year. Join students for lunch and/or recess; involve them in conversation and/or fun games. All you need is a smile, positive attitude, a love for kids and having fun! Plus, to extend our appreciation, approved volunteer applications qualify for free school lunch, courtesy of the PTA.

Enroll in the Student Mentorship Volunteer Program by completing the information below and return to Willard Elementary School attention to the PTA. Please note, per standard policy, all volunteers must complete a Volunteer Application form either online by visiting: www.sanford.org/o/sanford-school-department/browse/35897 or by printing the form, completing and return to Willard Elementary School attention to the PTA. If your Volunteer Application was approved at the beginning of this school year, disregard the Volunteer Application and complete/return the information below attention to the PTA.
