

Utopia ISD

State of the District 2018 - 2019

Utopia Independent School District

Welcome to Utopia ISD! Amazing things are happening every day in our district and I want to share why “We’re Not Perfect, But We Are Utopia!”

Utopia ISD is a place where our students come first and foremost. We have great kids! We strive for every child to attain mastery in everything they are learning, but it equally important to develop character along the way. Our students are involved in everything from UIL Academics to Pride and Community Service Projects.

Our staff is exceptional at what they do. Working in Utopia and serving our community help build a sense of pride in our town. Our small class sizes, autonomy in instruction, and close-knit community help to keep our Buffalo Pride alive.

Our School Board works to lead the change at Utopia ISD. They have been a pleasure to work with and these seven individuals serve the best interest of the district first.

If there is ever a question or issue I can help with, please contact me at jmilam@utopiaisd.net or 830-966-3339.

District Leadership

Our School Board works to lead the change at Utopia ISD. They have been a pleasure to work with and these seven individuals serve the best interest of the district first.

Steve Darden - President

Betty Boyce - Secretary

Shirley Dibbens - Board Member

Chase Hathorn - Board Member

Jena Smothers - Board Member

Tanya Cox - Board Member

If there is ever a question or issue I can help with, please contact me, Jessi Milam, at jmilam@utopiasd.net or 830-966-3339. Our Principal, Bryan Hernandez can also be reached at bhernandez@utopiasd.net or 830-966-3339.

Mission, Vision, & Beliefs

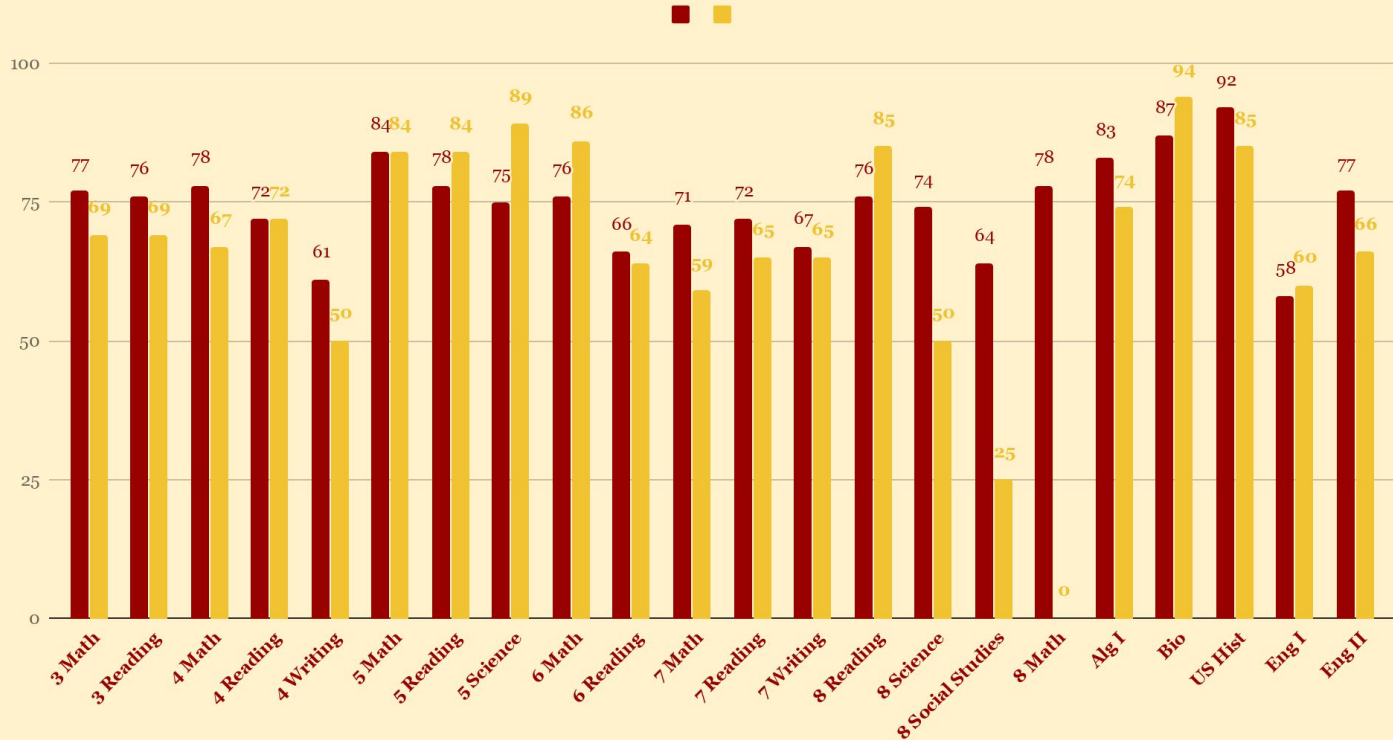

The mission of Utopia Independent School District is to partner with parents to provide all students with equitable opportunities and the guidance necessary for:

- Becoming honest, respectful, and self-fulfilled individuals of high moral character
- Becoming responsible and accountable citizens of a global community
- Mastering a core of fundamental knowledge in a safe environment
- Improving thinking and enrichment skills
- Embracing learning as a lifelong process
