

An educator in the performance of assigned duties shall:

- meet and continuously maintain applicable certification or licensure requirements as defined by state and/or federal law for position held;
- actively support and pursue the district's educational mission;
- recognize basic dignity of all individuals;
- maintain professional integrity;
- avoid accepting anything of substantial value offered by another which is known to be or which may appear to influence judgment or the performance of their duties;
- accurately represent professional qualifications; and
- be responsible to present any subject matter in a fair and accurate manner.

Approved:      05/03; 05/17

Based on a change in the law.
