CAREER TECHNICAL EDUCATION

Become a Registered Dental Assistant!!

Our complete program prepares you for this exciting field by offering you everything you need to become a successful Registered Dental Assistant. At the completion of our program you will be ready to take and pass the
State Registered Dental Assisting test.

To be eligible for this dynamic program you will need to: Speak with your school site counselor, fill out an interest form, and attend a Zoom orientation.

You don't want to miss out on this exciting opportunity to have access to an amazing career right out of High School!
