

**Barneveld School District
Legal Counsel**

The Barneveld School Board recognizes its responsibility to operate programs which are in compliance with legislative mandates, agency regulations, and court decisions specifically involving the district or requiring action/compliance by all Wisconsin school districts. Fulfilling this commitment may require the employment of legal counsel to act for, or on behalf of, the Barneveld School Board, administration, and other specified employees.

The District Administrator shall have the authority to confer with the school attorney for legal advice as he/she deems advisable in order to protect the interests of the school district, School Board, staff or when directed by official School Board action.

Individual board members may be authorized to confer with the school attorney by official School Board action. The School Board President may authorize any board member to contact the school attorney.

Any attorney employed by the Barneveld School Board shall serve in an advisory capacity to both the Board and the District Administrator.
