

GET YOUR RELIEF TODAY!

Three Options To Receive Benefits

To assemble your customized relief plan from 1900+ programs, you must select programs that meet your needs by completing a Client Program Service Request. The best way is to have our program advisor be on-site at your community organization where you work, live, learn, worship, play, or age. To learn more, feel free to call or email us.

LIVE A HEALTHIER LIFE

FINANCIAL DISTRESS JUST GOT BETTER

We Provide Living Cost Relief

Making ends meet is very stressful. The pressure is awful, and the outcome is unhealthy. Combined with unhealthy behaviors of **tobacco** use, poor diet & exercise, substance use, and risky sexual activity leads to one result, disease and premature death. We can help you customize a personalized relief service plan to help pay for housing costs, obtain additional food, receive financial help, access health care benefits, and other social-health services, free or at a reduced cost, to live a healthier life.

- ✓ **We Can Help**
One stop access to 1900 + programs to lower your living costs to live a healthier life.
- ✓ **Access to All**
Everyone is welcome because everyone has a fair and just opportunity to attain their highest level of health.
- ✓ **Live Better**
Learn and practice successful skills to maintain a healthy lifestyle for life.
- ✓ **Lower Living Costs**
Compared to market prices, your customized relief plan is at the best price - free or at reduced prices.
- ✓ **Convenient**
We're mobile. We come to where you work, live, learn, worship, play and age. Just have your organization contact us to come out.
- ✓ **Simple Process**
Tell us your needs and we'll assemble a customized relief plan tailored for your financial needs.

Live a Healthier Life

ABOUT US

Established in 2011, Helping Hands Coalition is a non-profit, equity-based Community Social-Health Center provider serving socially and economically disadvantaged populations in rural W. Lane County.

Our Vision (*What to Achieve*)

A resilient community in which all people can achieve their full potential for health and well-being across their lifespans.

Our Mission (*How to Achieve the Vision*)

To promote, strengthen, and evaluate our efforts to improve community resilience, and the socio-economical health factors and behaviors experienced by socially and economically disadvantaged populations.
