

DUAL CREDIT

WHAT IS IT?

WHY SHOULD MY CHILD GET A JUMP START ON COLLEGE?

HOW MUCH IS THIS GOING TO COST ME?

Attention Parents of current Juniors and Sophomores:

This is an invitation to attend an **Informational Meeting on dual credit courses** at **5:30 PM** on **Thursday, March 12** in the **United High School Commons**. You are invited to attend the meeting, hosted by Megan Jones of Carl Sandburg College (CSC), because your student may be interested in taking dual credit classes in the 2020/21 school year. At the meeting, parents and students will learn what steps need to be taken to fulfill registration with CSC. After students have applied to CSC and completed registration procedures, all new dual credit students will be required to take the ACCUPLACER, a college entrance exam. In the meantime, students can access practice tests at www.testpreview.com and click on ACCUPLACER.

Please attend the Dual Credit Parent Meeting to get all of your questions answered.

Megan Jones, Coordinator of Recruitment and Dual Credit, will be in the United High School Commons on March 12 at 5:30 p.m. to answer all of your dual credit questions.
