

SEA 217 - Dyslexia Information

Crawford County Community School Corporation
2022-2023 Dyslexia Data

- The dyslexia intervention programs used during the previous school year to assist students with dyslexia:
 - IMSE Orton-Gillingham
 - Heggerty Phonemic Awareness
 - Leveled Literacy Intervention
- The number of students during the school year who received dyslexia intervention: 105
- The total number of students identified with dyslexia: >10

According to Senate Enrolled Act 217: ALL kindergarten through second-grade students will be given an Indiana Department of Education approved Universal Screener to assess for characteristics of dyslexia. The universal screener does not identify dyslexia, only the areas of weakness in phonological and phonemic awareness, sound-symbol recognition, alphabet knowledge, decoding skills, rapid naming skills, and encoding skills.
