Prevention Works Dental Hygiene 2022/2023

Dear Parent or Guardian,

If you do not wish for your child to participate in the school dental clinic, *DO NOT FILL OUT THIS FORM.*

A Dental Hygienist will see your child during school hours to provide oral inspections, cleanings, oral hygiene instructions, fluoride varnish, sealants, temporary fillings, and/or Silver Fluoride (SF.) SF is used to temporarily manage cavities until your child can get permanent fillings from a dentist. When decay is treated with SF, the tooth will turn dark. This is a good indication that the infection in the tooth is dying. If you do **not** want SF used, please check this box ☐ . A report will be sent home with our findings. **Please complete and return this permission slip ONLY if you would like your child to participate.**

If there are any medical changes in the health of the child during the year, please notify the school nurse. We will notify the school nurse if your child needs emergent care. Parents/guardians that choose self-pay will be contacted by Prevention Works before the clinic date to discuss services, cost, and payment procedure. Parents/guardians that choose to withdraw child after enrolling must contact Prevention Works. **THIS PROGRAM DOES NOT REPLACE AN EXAM BY A DENTIST.**

If you have any questions, please call Alissa Wade, IPDH at 207-949-2963
