Dear Parents of 7th Graders,

On March 9th, I will begin presenting a class to the 7<sup>th</sup> graders regarding Human Sexuality and Relationships. This 3 day class will be taught during CELS periods. We will review Human Anatomy, but focus on abstinence, responsibilities in relationships, communication, boundaries, and seeking reliable advice.

Topics discussed will include:

- Changes During Puberty
- Male & Female Reproductive Systems, Review of anatomy and functions
- Responsible Behaviors within Relationships (Communication/Abstinence), Refusal Skills/Setting Boundaries
- Seeking reliable Adult Advice
- Laws associated with Sexual Behaviors (Consent, Harassment, Assault, Rape)
- Preventing Bullying and Sexual Harassment

As always, we are very interested in your opinions and concerns as parents and invite your comments. You are welcome to call to speak with me or email me at [BPeterman@usd327.org](mailto:BPeterman@usd327.org) to view the packet and/or videos the children will receive. I will be implementing some videos from Learn 360 to help educate the students on the various topics.

**Please be sure to sign and return this permission form to the High School by Thursday, Feb 27, 2020, indicating your choice about having your child participate in this Human Sexuality class. If I don't receive the signed permission slip by the due date, your child will not be able to attend the class sessions and will be given a place outside the classroom to work on other things.**
