## **Lending a Helping Hand**

### ***Springfield Principal and SRO Brighten One Family's Holiday with Kindness***

LURAY, Va. Today, two of our own, Mr. Craig Tutt, principal of Springfield Elementary, and Deputy Rob Marshall, School Resource Officer, showed the true meaning of Christmas in their efforts to make one student's home just a bit warmer for the winter ahead.

"After doing a home visit a few weeks ago, we discovered that one of our scholars had a door on the front of their trailer with the window knocked out. It just so happened to be 18 degrees the night before the home visit. After securing a door and the needed items, Mr. Marshall was able to remove the old door and install a new one before the holidays," Tutt said. The family was so grateful and talked about how their student would get to sleep in his own room because they could lock the door again and it wouldn't be so cold since his room was near the front door.

This is just another example of wonderful, kind people that we have in our school and community. Over the break, please take the time to think about the blessings that we have, and take the opportunity to brighten someone else's day. Thank you so much to Mr. Tutt, and Mr. Marshall for your unselfish acts of kindness. Happy Holidays to everyone, from all of us at Page County Public Schools.
