Professional Development/Updates:

The Special Education Office covers a variety of programs which include Special Education Services, Section 504 of the Rehabilitation Act, English Language Learners (ELL), Health Services and the McKinney-Vento Homeless Assistance Act. If you have any questions on these programs, please feel free to reach out to me. I am including information on English Language Learners for informational purposes.

English Language Learners (ELL)-English learners are students with a primary or home language other than English. Schools that serve English learners offer a variety of supports to ensure that these student can meet the same challenging academic standards as their peers while also acquiring English.
