PCS Administrative Report
February 19, 2020
Grades 3 - 8

- The 6th-grade basketball tournament hosted by the Dpod PBIS team on February 8 went very well. The proceeds from this tournament will fund our PBIS program for the next year.
- The music department is working hard to get ready for the solo and ensemble contest which will take place on February 22. The students are coming in bright and early to get ready to perform.
- Dpod has the IAR assessment (Illinois Assessment of Readiness) scheduled to start March 17.
- We have Parent/Teacher conferences on March 11 and March 12. Dpod will have Student-Led conferences as well. We really enjoy seeing parents come in and have that one on one conversation with their children.
- We have spring pictures on March 12.
- The next event for the music department is the Music Booster's Annual Spaghetti Supper that will be held at PCS on March 20. Save that date on your calendar so you can enjoy the great music provided by our Pikeland students.
- The Dpod student of the month for February is Michelle DeJaynes. Cpod Student of the month for February is Taylor Lowry.
- We are conducting our "Pies for PCS" fundraiser. This is our annual fundraiser for grades 3-5. It helps raise money for items needed in the classrooms. We have used the funds to buy new books, science equipment, technology items, school supplies, art supplies, project items, and much more. All 3 - 5 students are selling pies. Sales end on February 21.

SOUTH ELEMENTARY BOARD REPORT

January 2020

- The South School Staff would like to extend our sincere appreciation to Farmers National Bank of Griggsville for the donation of gift cards to the teaching staff for materials for the classroom.
- We recently completed our second round of Saukee Readers' Club where students get introduced at a varsity home game for meeting reading goals. Thank you to the high school and boys & girl's basketball programs for supporting this program.
- On January 21st, we sorted our kindergarten into their houses. The kindergarten students were so excited and a lot of fun was had by all. Thank you to Miss Allen for being our M.C. for the morning.
- On the 31st, we also held a one day fundraiser for the Pike County Animal Shelter. Students could bring fifty cents or pet food and bring their stuff animal to school. We had many students participate and donated a number of food items to the animal shelter.
- Last week, our Pre-K program hosted a family night where students and parents were able to build Valentine's boxes. The high school Art Club also provided three activity centers for the students. Thank you, Art Club!
- Last week, the Little Brave Boosters (PTO) started the annual Penny War. The students really enjoy "bombing" other classes with silver each morning as we start the day. This was continued into this Monday and a winner will be announced very soon.
- March 3-6, we will hold a Pre-K screening for next year at the Methodist church. There are still some time slots open for screening. Parents need to contact South School at 285-2431 to make an appointment.
- Parent-Teacher conferences will be held at South School on March 11 & 12.
- Spring pictures will be on March 12th.
