

## TAC -- Compatibility View Settings for Internet Explorer

1. Log into TAC
2. Click on the Tools icon in the upper right hand corner or the word Tools on the menu bar. Click to select Compatibility View Settings

3. K12.ar.us should appear in the compatibility view settings window. Click the Add button. Then click the Close Button.

4. You should be able to upload your grades now. If not – close Internet Explorer and then log back into TAC.
