Athletic and Activity Sign-Out Form

In order for any student to be absent for an athletic event or school sponsored activity that requires them to miss 4 or more periods they must complete this form and return it to your sponsor/coach prior to the date of the activity. You are also required to have all class work for that day made up prior to leaving. If you do not have the signature of all your teachers, work made up ahead of time, and this slip turned in you will not be allowed to attend the activity.

Once again, failure to complete this form and have all work made up ahead of time will result in you not attending the desired activity. If you were to attend the activity without this form and/or all work made up in advance, your consequence will be missing a minimum of two future activities related to this activity (i.e. If you went to District Land Judging, and failed to have your work made up ahead of time, you would then be held out of the next two half or full day FFA events).
