

Lansing School District 158

Parent(s)/Guardian(s):

We hope this message finds you well. We are excited to announce the availability of two Summer School Enrichment Programs that are scheduled to be held at **Coolidge Elementary School**. The programs (Time Travelers and Intramurals) will be available for students in 3<sup>rd</sup>-5<sup>th</sup> grades. Students who attend one of the Enrichment classes will follow the same schedule as students attending Summer School for reading and math support. Summer School will be held from **June 20th – July 20th (Monday-Thursday) from 8:15am-12:45pm**. Breakfast will be available for all students from 8:15am-8:30am.

In order to ensure students are successful, we ask that students are dropped off and picked up in a prompt manner. Students that are not picked up within fifteen minutes of Summer School ending will be removed from the program after the second time. A few expectations of attending Summer School are:

1. Be Prompt and prepared to work
2. Be Respectful of the teacher and other students
3. Work hard and give your best effort

**Parents interested in registering their child in one of the Summer School Enrichment Programs should complete the registration form via the link below.**
