Dear Parents/Guardians,

The Administration was notified that an individual on your child’s team (Team 7A) has tested positive for COVID-19. Through our investigation, we have discovered the individuals who were in close contact¹ and have communicated with their families directly. At this time if you have not been communicated with directly, you should have little to no concern with infection.

In-person classes will continue as planned.

Please remember to withhold your student from class if:

- he/she is experiencing any COVID-19 symptoms².
- he/she or a direct family member is awaiting the results of a COVID-19 test.

Should you have any questions, please contact Nurse Turnbull (aturnbull@d158.net) or Nurse Ogbara (mogbara@d158.net).

We encourage all members of our Lansing School District 158 family to be safe and follow proper safety and social distancing guidelines in and out of school.

Sincerely,

Dr. Keli N. Ross
