

To better serve our students, we are asking all families to fill in this form for each child at Paw Paw Early Elementary and return it to school by **Friday, September 13**. This form is required by the Michigan Department of Education, and it will help us better identify and serve any student who could use extra academic support in the area of language. With the emphasis in Michigan on every child being able to read by grade 3, we want to make sure we are providing every opportunity for our students to succeed.

Paw Paw Public Schools Home Language Survey
