# A Year Of Dreams

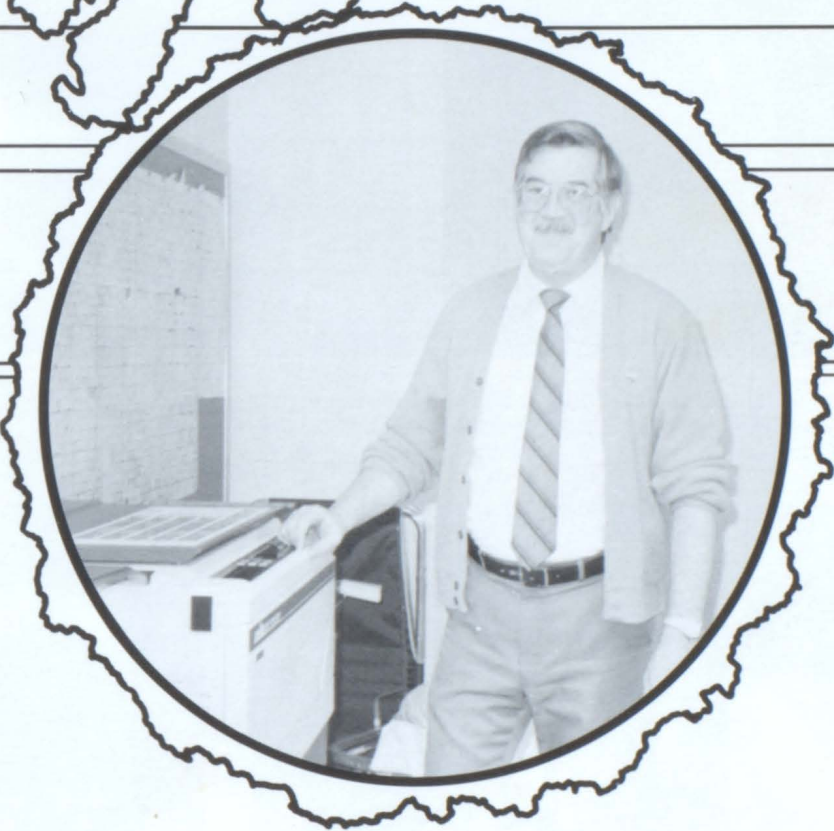

The 1989 class "B" Boys Basketball State Champions!

There are not enough words to describe the 1988-1989 school year. The Wildcats excelled in the classroom, as well as on the playing field. In their feat of proving that anything is possible, the students at Northwestern High School improved in every sport in which they competed. The football team displayed their honor and pride by making it to the playoffs, falling just short of the Dakota Dome; but they ended the season with an impressive 7-2 record. The girls basketball team worked hard all through the season. Although they did not win any championships, they proved to their fans that they are indeed a class act. The Wrestling team improved their record to 11-6, and again sent two wrestlers to the State meet. The volleyball team showed courage and determination this year and finished the season at 7-14. The track participants competed through all sorts of weather. They proved that effort pays off by finishing an impressive season. The wildcat cheering squads introduced the fans at Northwestern to a new brand of cheering. In doing so, the varsity boys basketball cheerleaders impressed the entire state of South Dakota by winning the "Spirit of Six" award for the second year in a row. The boys basketball team put on a dazzling show in winning the "State B Boys Basketball Tournament". They proved that the Wildcats are indeed number one, and that the students of Northwestern High School never give up.

It was an exciting year to say the least. In everything that the Wildcats do, it has now been proven that we always give it our best.

The '88 season was one of adversity and character. The Cats opened the season with a win over the always tough Ipswich Tigers. The Cats went on to post six more consecutive wins, one being over the DeSmet Bulldogs who would later win the state championship. At 7-0 the Cats would play their final game of the regular season at Conde for the conference championship. The Wildcats played well against a quick Doland-Conde team, considering the loss of key players, which left the continuity of the defense and offense at question. The Cats lost the hard-fought and exciting game 15-14 and finished the regular season at 7-1 and conference runner-ups. The Cats, for the second time in the last three years, ended the regular season no. 2 in their Region and qualified for the playoffs to face a tough, solid Sully Buttes team. With the combination of weather and more injuries, the Cats ended their season with a successful 7-2 record. Looking back at the adversity which the Cats endured both physically and mentally due to injuries, their 7-2 record is a great example of the type of character and pride Northwestern football has become noted for.

"The 1988 girls basketball team ended their season with a tough loss to Doland in the first round of the District Tournament. Their record for the season was 5-14. The girls were very competitive throughout the season, and their hustle was very much appreciated. We only had three seniors on this year's team: Tami Boekelheide, Angela Bindenagel, and Sheri Winegar. Their leadership will be missed next year. Tami was chosen as an all-conference player. I would personally like to wish Tami, Angela, and Sheri the best of luck," said Coach Rozell.

*"... And Ours Are The Best!"*

The 1988-89 members of the State Championship Wildcats would not be denied. This team accepted their roles and showed that the total team concept is more important than any individual achievement. Our seniors displayed excellent leadership on and off the court and kept up the tradition of our Wildcat Program. As the state media proved, we didn't have any stars, but we did have twelve young men with a common goal in sight and that was to strive to be the best and not to let anything get in the way. Our final record was 25-1 with the culmination, a state championship. To the departing seniors, it's a great way to go; to the returning players, we have a reputation and tradition to uphold. However, it is a memory and accomplishment that we will all treasure and take with us the rest of our lives. I am very proud of all who played an important role in our championship season. "Don't let what you can't do, get in the way of what you can do." Coach Trett

# A Glimpse At Success

## THE COACH

From Valley City State (so it says on the sign),  
He came to Northwestern in '79  
As a true Packer Fan, none can compare  
Though standings reveal their victories were rare,  
A man with a keen basketball mind ...  
To be successful would take some time.  
He came to Northwestern with hopes running high  
To bring us some victories, bye and bye.  
As in many cases when starting anew,  
Victories came many times just "out of the blue".  
Little we knew when he stepped on the floor  
That his aims were much higher than opening one door.  
He took our young people not only to coach,  
But also to teach them that life was no joke!  
From classroom to athletics his philosophy he taught,  
And encouraged his students to reach for the top.  
Some may have questioned the actions he took,  
But he's shown us his courage; all we need is to look.  
From early lean years to the biggest PRIZE of all,  
You've coached us a State Championship in Basketball.  
When people speak of "Dynasties", you can bet  
Two names they'll remember are "Northwestern" and  
"Trett"  
Someday you may leave us, but hopefully not ...  
'Cause you see, we all love you a heck of a lot.

-Richard Zephier

# Let's Hear It For Spirit

"The sport of cheerleading has changed recently. It's no longer the sport in which only the most popular girls participate. Now, it is a sport which requires precision, accuracy, skilled techniques, and athletic ability. Our cheerleaders proudly changed with the times. The changes caused sacrifices — hours of practice, sore muscles, and sore knees to name a few. Yet, the changes also caused rewards. The comment, "Our cheerleaders this year are the best they've ever looked," was heard by many, year long. Even opposing audiences took note and paid their complements. With only one senior, Brenda, graduating, the tradition will continue. I am proud to have guided the change, but it is you, each individual, who created the change. Continue the spirit!" - Kim Carson, Advisor

"The Volleyball season was a surprising success this year. Why a surprising success? Not one of the 1989 Wildcats started a varsity match in 1988. At the half-way point of the season the cats had 1 win and 8 loses but the last half of the season the cats played .500 volleyball and won 4 of their last matches. Finally, the Wildcats finished 4th in Region 1; the highest finish ever for a Northwestern club. This is a true example of Wildcat spirit and a "yes I can" attitude. The Wildcats are looking forward to another successful year with many veterans and upcoming junior varsity talent. The cats would like to thank Volleyball Senior Angela Bindenagel for 4 fine years of program participation. Good luck, Angela!"

The 1989 track season was filled with success, accomplishments, and improvements. The key to success is improving. Such was the case with the girls team. Though Karen West was the only girl to move on to the state meet, the girls improved on all their times at the regional meet and ran very well. The boys team won every meet they attended this season except for two, when they placed second in the conference and fourth at the state track meet. Doug Eppard, Clarence Gilstad, Scott Boekelheide, and Chad Boekelheide teamed up to place fourth in the 400 meter relay and the 800 meter relay. Travis Akin, Chad Boekelheide, Craig Ehrich, and Dan Miller placed fifth in the medley relay, and Doug Eppard, Chad Boekelheide, Craig Ehrich, and Dan Miller received second in the mile relay. Karl Paepke placed fourth in the discus and second in the shot put, while Doug Eppard got sixth in the 300 meter hurdles to finish up a very successful state track meet. Senior leadership was certainly a key to a very successful season.

Senior Track Participants are Tami Boekelheide and Sheri Winegar.

# *Dreams Really Do Come True*

Looking back on the 1988-89 school year brings back many memories and accomplishments. Many of these times have been captured in this book, but a year book is more than that. It's a way to look back on friendships, embarrassing moments, and achievements made throughout the year. As seniors, we will always remember all the good times we enjoyed this past year.

As the editors of the 1989 Wildcat, we would like to thank the student body of Northwestern High School, the entire year book staff, and especially Mr. Frey for all of your help throughout the year!

Co-Editors,  
Tami and Jenifer
