Objective 1: MCE will meet and exceed academic expectation on state assessments as measured by the Annual Performance Report.

Objective 2: MCE will meet and exceed DESE attendance standards as measured by monthly and year end percentages.

Objective 3: MCE students will be prepared for post-secondary college and career readiness entry upon graduation as measured by district and standardized assessments.

Objective 4: The Marion C. Early R-V School District graduation rate will continue to meet or exceed DESE standards using the four- OR five- year status target for APR.

**Goal 2: The Marion C. Early School District will consistently communicate with stakeholders through a variety of media to encourage involvement, support, and two-way communication.**

**Goal 3: The Marion C. Early School District will provide, update, and maintain appropriate instructional technology, support services, and safe facilities**

Objective 1: MCE will evaluate and maintain an emergency management plan.

Objective 2: The Marion C. Early R-V School District will establish, maintain, and plan for adequate facilities, resources, and materials.

**Goal 4: The Marion C. Early School District will continually monitor district finances and remain fiscally responsible while providing the best education possible for our students.**

Objective 3: MCE will meet or exceed local and conference averages for staff compensation and benefits.

**Goal 5: The Marion C. Early School District will foster an environment for teaching and learning that is positive, supportive, and encourages collaboration.**

### **Emergency School Dismissal**

In our efforts to improve communications between parents and school, the Marion C. Early R-V School District has instituted a telephone broadcast system that enables school personnel to notify all households and parents by phone within minutes of an emergency or unplanned event that causes early dismissal, school cancellation, or late start. The service may also be used from time to time to communicate general announcements. This service is provided by ThrillShare which specializes in school-to-parent communications. When used, the service will simultaneously call all listed phone numbers in our present contact list and will deliver a recorded message from a school administrator. The service will deliver the message to both live answer and answering machines. No answers and busy signals will be automatically retried after the initial call. Parents should have a pre-arranged procedure for their student(s) to follow should this situation arise.

When school is closed due to bad weather, school-closing information can also be heard on the following radio and television stations:

<b>Television Stations</b>	<b>Radio Stations</b>
<b>KY3 – Springfield</b>	<b>KTTS 94.7 FM – Springfield</b>
<b>KOLR 10 – Springfield</b>	<b>KGBX 105.9 FM – Springfield</b>
<b>KSPR 33 – Springfield</b>	<b>KWTO 560 AM – Springfield</b>
	<b>KYOO 99.1 FM or 1200 AM - Bolivar</b>

### **Statewide Assessments**

The District will implement the components of the Missouri Assessment Program (MAP) including End-Of-Course Exams (EOC) in order to monitor the progress of all students, as set forth by the Missouri State Board of Education. The School Board authorizes the Superintendent to establish a process designed to encourage the students of this district to give their best efforts on each portion of any statewide assessment, which may include, but is not limited to, incentives or supplementary work as a consequence of performance.

### **Emergency Safety Procedures**

Fire, tornado, earthquake and intruder drills are designed for the safety of the students. All students will be instructed at the beginning of the year as to the procedures to be followed for all drills. Drills will be held on a periodic basis.

### **Lockers**

School lockers, desks and other district property are provided for the convenience of students, and as such, are subject to periodic inspection without notice. Student property may be searched based on reasonable suspicion of a violation of district rules, policy or state law. Reasonable suspicion must be based on facts known to the administration, credible information provided or reasonable inference drawn from such facts or information. Searches of student property shall be limited in scope based on the original justification of the search. The privacy and dignity of students shall be respected. Searches shall be carried out in the presence of adult witnesses, and not in front of other students, unless extenuating circumstances exist. Drug –sniffing dogs may be used for such inspection and search. Students are not to change lockers without approval of the office. Students will be assigned lockers. Students are responsible for items in their lockers. **THE SCHOOL IS NOT LIABLE FOR ITEMS LOST OR STOLEN FROM LOCKERS.** To secure lockers, the high school office will issue a lock to each student. Personal locks will not be allowed on school lockers and may be removed by the office. Locks not returned at the end of school year or when a student leaves will cost that student \$5.00.

### **Cafeteria**

The lunch period is closed, and all students are required to remain on the school grounds during the school day. Because of congestion in the cafeteria and other concerns, visitors are not allowed at lunchtime. Lunch may be eaten in the cafeteria or the outside eating area with permission and supervision by a certified staff member. The lunch period is divided into two sections. **All students are to report to the cafeteria during lunch period.** The snack line cost will vary with each item purchased.

Food Service Prices will be as follows:

Breakfast  
K-12=\$1.00  
Adult=\$1.30

Lunch  
Elementary=\$1.75  
MS/HS=\$2.00  
Adult=\$2.75

In an effort to improve and speed up our lunch lines, a computer scanning system is utilized to keep better track of our meals and a la carte items. On his/her first day of school attendance, each student will be issued their student number. Using the number, students are expected to pay in advance so as to have a credit balance in their account. When a student passes through the lunch line, his/her number is entered, and the amount of purchase is deducted from the account balance.

**There are no charges in the cafeteria.** All lunches must be paid for with the assigned number. Free and reduced lunch participants will be issued a number similar to all others. If these students wish to purchase extra food items, they must keep a credit balance in their account or pay for the purchase. A lunch account balance report will be available upon request following each lunch period. Students who do not make advance payment on their lunch account should bring payment to the cafeteria during lunch. Students who do not have an account balance and fail to have money at the time of purchase will not be permitted to eat from the snack line.

## A+ PROGRAM

Marion C. Early High School has been designated by the state of Missouri as an A+ School. Due to the constant changes within the program, current eligibility can be found at: <http://dhe.mo.gov/ppc/grants/aplus scholarship.php> . Program agreements and more information may also be obtained from the MCE A+ Coordinator.

## VIRTUAL/ONLINE COURSES

In accordance with the passage of Senate Bill 603, the Marion C. Early Virtual School program was created and implemented to better serve the unmet needs of some of our students and move toward preparing all students for the 21<sup>st</sup> Century Skills necessary in their futures.

The School District of Marion C. Early will be partnering with the Springfield School District (SPS) through Fueled By Launch. SPS's virtual programming will enable us to provide virtual learning options for our students, including:

- Relevant courses in flexible locations in an asynchronous environment
- High quality, interactive courses aligned to state and national standards
- High school level curriculum
- Over 60 different course options
- AP courses not offered at MCE High School
- Semester courses for credit deficient students and others unable to successfully participate in a traditional setting
- A solution for schedule conflicts, home-based learners, homebound, adjudication, truancy, expulsions, teen parents, and other special needs
- Modified rates of learning to accommodate the student -traditional, accelerated or extended
- Preparation for future training in post-secondary educational and work environments

Fueled By Launch Virtual courses are aligned to national and state standards. Course goals and objectives will be available upon request. Students currently enrolled at MCE High School full-time can enrich their course selection with courses not currently offered. However, online courses cannot supplant courses offered on-site unless approved by administration. Students in a full-time, home based learning environment have access to all available coursework. All courses are 1-2 semester courses, and will follow the semester schedule as outlined by the district's current calendar. The number of concurrent courses, being completed at any one time, will be determined by the school district. Each student will work with district staff to develop a virtual education plan. All courses are taught by Missouri certified teachers. Fueled by Launch serves a three-fold need for students: Traditional Virtual, Credit Recovery, and Credit Acquisition. To be approved for the online program, students must print and complete the approval form located in the Course Description Catalog.

### **MOCAP Enrollment**

Students seeking virtual course options may do so through the MOCAP program operated by the Missouri Department of Elementary and Secondary Education. For more information on MOCAP enrollment, please review the MOCAP/Virtual Handbook and contact Dr. Josh Angel ([jangel@mcestaff.com](mailto:jangel@mcestaff.com)), Marion C. Early Schools' MOCAP designee, for additional assistance.

## **SUMMER SCHOOL**

High School students may recover course credit through approved summer school courses. Check with the Counselor or Principal's office before enrolling for credit recovery toward graduation. Middle School students may have to attend summer school to recover core subject requirements for promotion when this policy applies.

## **SCHEDULE CHANGES**

The student and the counselor plan individual schedules based on the student's four-year personal plan of study, and yearly selection of studies, within the constraints of teacher and facility availability. For this reason, schedule changes will be very limited and only in extreme circumstances. The counselor, principal, teachers, and parents involved must approve any schedule changes.

## **WORK / COLLEGE RELEASE**

A student who has successfully completed twenty-three (23) units of credit and completed all required courses may request early dismissal from school for the purpose of work or college attendance. This is done with the understanding that the student's attendance and enrollment are considered part-time. A student may earn one (1) elective credit maximum toward graduation requirements from work release.

In order to be approved for work/college release, the student must:

1. Currently have a 2.5 grade point average at the successful completion of six (6) semesters and maintain the average the following semesters.
2. Provide written permission to work or attend college classes from parent or guardian.
3. Work with the work/college release coordinator to implement the plan after approval from administration and Board of Education.
4. Submit an application to the Board of Education for approval. The application must be submitted to the Board of Education at its regular meeting in July (for the first semester) or December (for the second semester).
5. Sign out in the main office every day.
6. Weekly provide proof of employment and hours worked (a minimum of 15 hours per week) to the work/college release coordinator.

If a student does not maintain the above criteria, it could result in the student's returning to a full day class schedule on campus.

## **STUDENT AIDES**

The following guidelines must be maintained for a student to be an aide during their senior year:

1. Must have a GPA of 2.5 or better and 95% attendance.
2. Cannot be an aide for more than one hour of his/her schedule.
3. In order to be considered for an aide position, students must have prior permission from the cooperating teacher.
4. A student may lose the privilege of being an aide at any time due to behavior, attendance or grades at the discretion of the teacher and principal.

If the student does not meet the standards set forth during the first semester, the student will be assigned a class to attend the second semester. The student will sign a contract before accepting the aide position. Teachers will be assigned only one aide per semester. Students do not receive credit for being an office aide or a teacher's aide.

## EARLY GRADUATION

Students who are eligible for early graduation have completed the required credits and have been approved by the Board of Education. They will be expected to follow all school rules until their participation in the graduation exercises. Early graduation students will be allowed to participate in Spring graduation exercises under the following guidelines:

1. Complete all academic and attendance requirements for graduation.
2. Pay the appropriate fees connected with the graduation exercises as determined by the class and sponsors.
3. Participate in the appropriate meetings and rehearsals for the commencement exercise.
4. Attend the required graduation rehearsal to participate in the graduation ceremony.

As an early graduate, the individual is no longer a student and is ineligible to participate in school activities. If the student does not wish to attend graduation exercises, they may pick up their diploma in the high school office the week following Spring graduation.

## OZARKS TECHNICAL COLLEGE (OTC)

An area career and technical school is designed to provide occupational training for juniors and seniors in the high schools of the geographic area. Marion C. Early high school students have an opportunity to be selected to receive three units of credit per year for a half-day program at Ozarks Technical Community College. For course selections, refer to the OTC course catalog in the counselor's office or online at [www.otc.edu](http://www.otc.edu).

Rules for students attending OTC:

1. All Marion C. Early high school and OTC rules are to be followed.
2. **All students must ride to and from OTC on the school bus provided unless special permission for other transportation has been granted in advance by the Principal's office. The bus driver will take attendance on the bus each morning, and report it to the Principal's office.** Students must follow all MCE rules established for regular bus transportation when riding to OTC and back.
3. Upon returning to the high school, students must remain on school grounds.
4. Students attending OTC must attend afternoon classes at MCE unless they have completed all other credits.
5. Students may be removed from the OTC program for violation of these rules or any other school policy. If a student fails his/her OTC course(s), he/she will be returned to a regular class schedule at MCE.
6. If a student receives disciplinary consequences such as ISS or OSS, he or she will not be allowed to attend OTC on those suspension days.
7. Students must maintain passing grades on campus to continue second semester at OTC.

### **GRADE LEVEL CLASSIFICATIONS**

Any student not achieving the minimum number of credits needed for classification will have their graduation year changed in their master record. Grade level classifications are figured by the number of credits passed, not by the age of the student.

Classifications for grade levels are as follows:

9 <sup>th</sup> Grade	Fewer than 6 units of credit
10 <sup>th</sup> Grade	6 – 12.5 units of credit
11 <sup>th</sup> Grade	13 – 18.5 units of credit
12 <sup>th</sup> Grade	19 or more units of credit

# GRADE REPORTING

## GRADING SYSTEM

Parent conferences with teachers may be arranged through the Principal's office before and after school or during the teacher's planning period. District Parent-Teacher conferences are held at the end of the first quarter grading period. Parents may receive a report of student progress at any time by contacting the teacher or by accessing the parent portal. The following system is used for grade achievement:

**A=Excellent; B=Superior; C=Average; D=Below Average; F=Failure (no credit given); NC=No Credit.**

The issuing of letter grades based on percentages of the total points for a semester are as follows:

<b>Percentage</b>	<b>Letter Grade</b>	<b>Grade Point</b>
95 – 100	A	4.000
90 – 94	A-	3.667
87 – 89	B+	3.333
84 – 86	B	3.000
80 – 83	B-	2.667
77 – 79	C+	2.333
74 – 76	C	2.000
70 – 73	C-	1.667
67 – 69	D+	1.333
64 – 66	D	1.000
60 – 63	D-	0.667
59 and below	F (no credit)	0.000

## GRADE REPORTING

The school year is divided into two semesters. Three-week progress reports will be given through advisory classes for any students with grades of "D" or "F." Grades will be updated periodically for the parent portal.

## GRADE LEVEL CLASSIFICATIONS

To be promoted to the next grade level, Middle School students (grades 6, 7 and 8) must pass at least 6 of the 8 semesters from the four core subject area classes of English Language Arts, Math, Science and Social Studies, as well as 3 of the 6 semesters of electives. Students will be retained at grade level if they have not met this requirement. Middle School students may attend summer school to recover core subject requirements for promotion when this policy applies.

## WEIGHTED COURSES

Weighted courses, as follows, shall be calculated by adding one point to the honor points for each letter grade earned in such courses and utilized in the calculation of grade point average (GPA). Weighted courses taken at other schools may not be transferred in for weighted credit at Marion C. Early.

Weighted courses to be taken at Marion C. Early include:

Algebra II	Biology II
Advanced Math	Physics
Chemistry II	Princ. Of Engineering
College Algebra	College English (ENG 180, 101, & 102)
Music Theory (MUS 110)	CIS 101/BUS 110
Calculus	BUS 115 (College Personal Finance)

Any course offered for college credit taught at Marion C. Early High School will be considered for status as a weighted course.

## ACADEMIC LETTERS

Marion C. Early High School will award academic letters to eligible students. To receive an academic letter, a student must have a cumulative GPA of 3.5 or above. Grade point averages will be evaluated at the end of the 3<sup>rd</sup>, 5<sup>th</sup> and 7<sup>th</sup> semesters with the letters and/or pins awarded during the 4<sup>th</sup> quarter of each school year.

## HONOR ROLL

Marion C. Early High School compiles statistics to determine two types of honor roll awards: **“A” Honor Roll** and **“A-B” Honor Roll**.

**Merit Honor Roll (“A”)** – A student must have no grade lower than an A-

**Honor Roll (“A-B”)** – A student must have no grade lower than a B-

## EIGHTH GRADE TRIP

### GUIDELINES

Toward the end of the 8<sup>th</sup> grade year at MCE, students may be eligible to participate in a trip to Jefferson City. In order to participate in this trip, students must meet the following criteria (By sharing this information now, we hope that each student in the 8<sup>th</sup> grade will work very hard to meet these requirements this school year):

1. The student can have no more than 10 absences during the school year (exceptions may be made on a case by case basis).
2. The student can have no more than one referral to the office during the school year for discipline reasons.
3. The student can have no out-of-school suspensions for discipline reasons.
4. The student can have no more than two times on the ineligible list.

# GENERAL INFORMATION

## VEHICLES / STUDENT DRIVERS

Students must register their vehicles with the Principal's office and upon providing proof of insurance, will receive numbered hangtags to display in their vehicles at all times the vehicles are parked on school grounds. The initial hangtag will be free of charge, but due to the labor, paperwork, and cost of the product involved in issuing a second or subsequent hangtag, there will be a \$5.00 fee assessed for each. Driving to school is a privilege granted by the Board of Education. It is illegal for students to transport weapons, drugs or alcohol in their vehicles. All vehicles parked on school property may be searched as deemed necessary by the administration or by appropriate law enforcement personnel. Students are expected to abide by and obey all traffic laws and regulations set by the State of Missouri and policies of the school. Students are required to park their cars in an appropriate manner in the school lot provided for them. Violations of state law will result in a report to the appropriate law enforcement agency.

**Parking Lots:** Student parking is in the parking lot behind the high school. The parking spaces against the city road and sidewalk are reserved for faculty and staff. All students should park in the spaces in the middle of the parking lot or in the spaces next to Hwy. 215.

The following violations may result in revocation of permission to drive to school and notifying law enforcement:

1. Driving carelessly around the school campus.
2. Driving at an excessive rate of speed around the school area.
3. Possession of alcohol, weapons, drugs in your vehicle when it is parked on school property.
4. Parking in a manner that interrupts the flow of parking or traffic in the parking lot.
5. Tampering with or vandalizing other vehicles that are parked on school property.

Students are urged to lock their vehicles and leave the parking lot immediately upon arriving at school. As a safety precaution, students are not allowed to go to their vehicles during the school day for any reason without office approval.

**All students at Marion C. Early are entitled to attend school in a drug-free environment. Therefore, all students in the district who choose to drive to school and park on campus, along with their parents, must consent to random drug testing of the students.**

## COUNSELOR

Counselor services are available for everyone. The counselor is available for educational planning, interpretation of test scores, career or college placement information, study help, guidance with home, school and/or social concerns or any questions the student may feel the need to discuss with a counselor. Students wishing to visit the counselor should make an appointment before or after school if possible. If an appointment is made for during the school day, a pass will be issued to the student indicating the time he/she should be excused from class. Students are not to be in the counselor's office without a pass.

### ILLNESS AND MEDICATIONS AT SCHOOL

Students who become ill at school will be given a pass by their teacher to go to the nurse's office. The nurse will determine if the student needs to go home. Generally, students will not be sent home unless they are running a temperature of at least 100 degrees, are vomiting, or have sustained an injury needing medical attention.

In partnership with CMH in Bolivar, we will be utilizing college student interns who are working on their clinicals. At times, students will be seen by a college student with the school nurse having the final say in all issues. If you wish to not have your child seen by a clinical intern, please opt out by signing a form in the office.

**If a student must take medication at school for health reasons, he/she will need to obtain a medication form from the nurse, to be completed by the student's physician. The form is to be returned to the nurse to be kept on file.** Prescription medication must be in the original container to ensure cleanliness and accuracy in administration. **All medications** must be kept in the nurse's office.

Medication will not be given unless specifically prescribed for the student by a physician. Only prescription medication will be administered or stored in the school health office. Parents must bring any such authorized medications to the school nurse if they are to be dispensed during the school day. **NO** over-the-counter medication (including cough medicine or any non-prescription medication) will be given unless so prescribed by a physician for the individual. Students having medication in their possession will be subject to disciplinary action.

### EXTRACURRICULAR TRANSPORTATION

It is the intent of the Marion C. Early R-V District to provide transportation for all participants to and from extra-curricular activities. Students are required to utilize the transportation provided unless prior arrangements are made with the Principal and activity sponsor. Requests for alternative transportation must involve a personal visit or written notice between the parent and the appropriate school personnel. All alternate transportation to and from such activity must be with the parent or guardian.

### VISITORS

Due to increased safety protocols, students are not to invite visitors to attend classes with them or visit them at school during the school day, including lunchtime. Students will be unable to leave class for the purpose of meeting with visitors, except to visit with a parent in the office.

# EXTRACURRICULAR ACTIVITIES

## CITIZENSHIP AND ACADEMIC STANDARDS FOR PARTICIPATION IN STUDENT ACTIVITIES PROGRAM ARE LISTED IN THEIR ENTIRETY IN BOARD POLICY JGG

**Fundraisers:** Every student in a club will be asked to participate or pay a portion for their part of the work involved. Consistency and fairness will be the guidelines in determining the amount that would be owed if not participating.

Fundraisers from outside organizations are not allowed to take place in school.

### JUNIOR/SENIOR PROM

Any Junior or Senior who is eligible to attend may invite one guest as their date. This guest may be a high school underclassman (Freshman or Sophomore), one who has graduated and under the age of 21, or a student attending another school with the prior approval of the Principal. (See school dance regulations for out-of-school guests.) Junior high students are not allowed to participate in prom.

### SCHOOL DANCES

General school policies and regulations as well as other rules set by the sponsors are in effect at all school dances. Students leaving the dance venue will not be permitted to return. Students who invite out-of-school guests will observe the following regulations (**Prom & Homecoming ONLY**):

2. The guest must be the student's date and adhere to the regulations that apply to students of MCE. If in violation of school rules, they will be asked to leave.
3. The student must sign the guest up in the office.

All extracurricular activities fall under the same general rules and guidelines for behavior as exist during the regular school day, whether at MCE or away. HS Students are not allowed to attend MS Dances and vice-versa. Middle School students must meet eligibility requirements to attend school dances.

**QUEENS/PRINCESSES:** Students in good standing with their class and clubs are eligible to be elected and/or chosen in any manner (i.e. donations for Barnwarming) as Queen or Princess of a dance or event.

## ABSENCES AND ATTENDANCE

The normal school hours for students to be on school grounds are from 7:30 a.m. until 3:45 p.m. Students should not be on school grounds beyond this time frame unless under the direct supervision of a staff member. Classes begin at 7:50 a.m. and end at 3:30 p.m. Students are considered absent for periods not present in class, unless involved in a school-sponsored activity.

### ATTENDANCE

Attendance is both crucial and vital to the success of students at MCE. We also understand there are times when students cannot be at school due to specific circumstances. Listed below are some guidelines to help you better understand the attendance policy for MCE. While this list is not exhaustive by any means, you can find the full policy under the board policies tab on the district website. **Attendance/Suspensions for all after school activities including athletics:** If a student misses class(es) without being excused by the principal, the student shall not be considered eligible on that date. The student cannot be eligible to participate on any subsequent date until the student attends a full day of classes without an unexcused absence. You will not be considered eligible while under suspension.

1. Reporting an absence from school is a parent's responsibility. Please make the notification the morning of the student's absence.
2. A student will be allowed a maximum of **ten (10) absences in a class period** for any reason during a semester. A student shall be permitted to make up work missed as a result of any excused absence (an exception applies if the student is OSS—if a student receives an out of school suspension, he will be permitted to make up the work missed for up to 80% credit the first OSS, 60% second OSS assigned, 40% for the third OSS assigned, etc.).
3. It shall be the student's responsibility to meet with teachers, receive the necessary instruction and assignments, and complete the assignments within the number of day(s) allowed. If work is not completed, failure of the course could result. Students will be allowed 2 days to complete assignments for each absence day. It is up to the discretion of the instructor to allow the student more than the minimum allowed time for make-up work.
4. The attendance secretary will maintain a daily record of all student absences. For purposes of granting credit, there will be no distinction between excused or unexcused absences. However, a record of reasons for absences will be kept for the Attendance Review Team (ART) to consider at a later date if an attendance appeal is necessary.

Any student that accumulates more than ten (10) absences in a class period during a semester (excluding school-approved absences, college visits or job shadowing) will not receive credit for that class, unless an exception is granted by the Attendance Review Team.

Absences due to in-school and out of school suspension will not be included in the ten (10) absences. A student and/or parent/guardian may appeal to the Attendance Review Team (ART) for a possible exception to these regulations. Near the end of the semester, the office will send out attendance appeal letters to those students who qualify. Appeals will be based on extenuating circumstances, which include but are not limited to, the following:

- Illness or injury with written documentation of being seen by a health professional (Doctor, LNP, etc.)
- Family emergency
- Court-mandated appearances
- Required religious observations
- Voting (up to 4 class periods) if 18 or over.

### **TRUANCY**

Truancy is declared when a student leaves class or school without first obtaining permission of the teacher or Principal or fails to attend school when parent/guardian and school officials reasonably expect the student to be in attendance. Absences due to truancy may carry a grade of zero in the applicable classes with no makeup privileges.

### **TARDIES**

Tardiness is defined as a student's not being in his/her assigned classroom when the bell rings to start class. There are four (4) minutes between classes for passing. Students should plan locker visits and restroom trips so as to arrive in class on time. Any student going to class without paper, pencil, book or other necessary material may be given a tardy at the teacher's discretion. A new tardy count begins with each new semester.

#### **TARDY PROCEDURE:**

A student must be in the classroom and ready to work when the last bell rings. School begins promptly at 7:50 a.m. Students arriving after that time are tardy. Any student that arrives more than 15 minutes after the tardy bell each period will be counted as absent for that period. Also, any student who leaves more than 15 minutes before the end of a class will be counted absent for that period.

When arriving to school, a student must sign in at the office.

Students will receive 3 lunch detentions for their third tardy in the semester per class per semester. Each tardy afterward will result in subsequent consequences.

### **PERMISSION TO LEAVE SCHOOL**

Permission to leave school during school hours must be obtained from either the Principal or Secretary. The student's parent or guardian must notify the office before the student will be granted permission to leave. Some circumstances call for the office to phone the student's parents to obtain permission for the student to leave school grounds.

A student who becomes ill shall be sent to the nurse by their teacher, where the parent will be notified if the student should be sent home. Only if the parent or their designee is home will the student be given permission to leave or be picked up at school. When a parent takes a student from school, he/she shall meet the student in the Principal's office and sign their child out.

### **COLLEGE VISITATION**

We recognize that it is necessary for students to visit colleges from time to time as they prepare to continue their education. A form for requesting college days may be obtained from the Counselor's office. This form requires signatures from a parent/guardian, the appropriate admissions counselor from the visiting college, counselor, and principal. College visit days are reserved for senior students and shall not exceed (2) days.

### **SCHOOL-SPONSORED ACTIVITIES**

Students who attend school-sponsored activities during the school day are not considered absent.

### **EXTRACURRICULAR ACTIVITIES**

Students who participate in extracurricular activities will adhere to the eligibility policy adopted by the Board of Education and Missouri State High School Activities Association (MSHSAA).

### **PERFECT ATTENDANCE**

Perfect attendance is defined as "in attendance every day, every minute, of the school year."

### **FINALS**

Final exams will only be administered during the scheduled time. Students will not be allowed to take semester exams early unless approved in advance by administration. Make-up semester exams for excused absences will be made up at the teacher's discretion. If a course is tied to an end-of-course exam, the EOC exam counts as 10% of the semester grade.

### **Mobile Devices**

Personal devices are not to be a distraction during the school day. Students are to limit personal use to lunch time. The consequences for violating the mobile device policy are laid out on page 29 of the disciplinary section of this handbook.

The taking of pictures or videos, using any type of camera/device, to slander, harass, or otherwise do harm to students or staff, is strictly prohibited. Pictures/videos must never be taken where there is an expectation of privacy (restrooms, locker rooms, confidential meetings, etc.).

**Marion C. Early High School will not be responsible or liable for damage, loss, or theft.**

# STUDENT CODE OF CONDUCT

The Student Code of Conduct is designed to foster student responsibility, respect for others and to ensure the orderly cooperation of the district schools. In determining the consequence for acts violating the standard of conduct, the responsible school official will examine the facts and circumstances surrounding the case. No code can be expected to list each and every offense that may result in the use of disciplinary action; however, it is the purpose of the code to list certain offenses which, if committed by a student, will result in the imposition of a specific penalty. Administrators may establish further rules and regulations and, if needed, deviate from the handbook for the maintenance of proper school discipline. Students should be aware the order of consequences will not always be followed due to the many different circumstances surrounding each individual case, previous incidents and warnings, student attitude, and extenuating circumstances. This code includes, but is not necessarily limited to, acts of students on district property, including playgrounds, parking lots and district transportation, or at a district activity, whether on or off district property. The district may also discipline students for off-campus conduct that negatively impacts the educational environment, to the extent allowed by law. In arriving at the consequences or discipline to be imposed, consideration shall be given to:

- The maturity level of the student
- Attitude of the student
- Any extenuating circumstances
- The seriousness of the act
- Prior incidents of misconduct
- Intent of the student
- Degree of involvement of the student
- Appropriateness of the discipline

Although not indicated in the individual consequences, a disciplinary report will be sent home with the student any time a student is involved in a discipline problem, unless it is a minor infraction. Also, a parent conference may be required at anytime to discuss a particular problem. Students involved in misconduct may lose the privilege of participation or may be denied extracurricular activities. Listed below are disciplinary actions or consequences that may occur:

- Conference and parent notification
- Referral to the counselor's office
- Detention
- Suspension of bus privileges
- In-school suspension
- Out-of-school suspension
- Expulsion
- Restitution/Payment of replacement cost

## DRESS CODE

As an educational institution, the school has a responsibility to help students learn what is expected of them by society in areas of behavior, dress, and hygiene. It is important that young men and women develop proper hygiene and grooming habits at an early age. This dress code will be enforced by all faculty members and administration and the interpretation of the dress code will be left to the sole discretion of the administration. Exceptions to the dress code for health or religious reasons will be considered on a case-by-case basis.

A student may be restricted in the manner of dress and length of hair in keeping with the safety regulations required for the activity in which the student is engaged or when it pertains to the health and/or safety of the student who is enrolled in a specific class or supervised activity that requires such restriction.

### **The following guidelines will be followed by students:**

1. T-shirts, jewelry and/or other apparel should not have profanity, obscenities, suggestive or provocative statements or images, drug or alcohol symbols or advertisements, gang symbols or graffiti.
2. Headgear (hats, caps, hoods) and other forms of head covering as well as sunglasses may not be worn in the building. These articles are to be removed upon entering the school building.
3. All shirts or tops must have sleeves and be long enough to meet jeans, skirts, and shorts, without exposing the mid-section when the student is standing or sitting. Shirts from which the sleeves have been cut off and/or that have open or plunging armholes or necklines are not to be worn.
4. Pants, shorts, and skirts are to be worn appropriately and be size appropriate. Appropriate undergarments must be worn at all times and must remain covered and unseen. All pants/skirts/shorts' length must extend beyond the fingertips when fingertips are extended in the direction of the floor while standing upright.
5. Loose fitting and/or baggy (sagging), long coats or other similar items (trench coats, dusters, bathrobes, blankets, etc.) are not allowed as they considered a safety hazard.
6. Chains attached to wallets or used as a fashion accessory are not to be worn in the school building or on school grounds.
7. Due to safety and liability concerns, shoes must be worn at all times. House shoes/slippers and roller blade/shoes are not considered shoes appropriate for school wear.
8. Jewelry may not be worn in any other manner than that which is normally accepted. Sharp objects (safety pins, spiked items, pointed body jewelry, etc.) will not be allowed.

For violating the dress code, the following action will be taken:

1st Offense:                      Warning/Clothes (t-shirt, pants) may be provided/Parent Contact

Subsequent Offense:      Parent Contact/Clothes Provided/Lunch Detention/ISS

Students violating the dress code will be asked to change into suitable clothing that may be provided by the school for the day. If necessary, parents will be contacted to pick up the student and/or supply appropriate attire. Teachers will determine appropriate attire for P.E. classes.

## SCHOOL BUS TRANSPORTATION

Bus transportation is a school service. Students are responsible to the driver at all times and are expected to be courteous and considerate to other students as well. When buses are being loaded, students are to form separate lines for each bus. No student may board the bus except as directed by the driver. Any misconduct occurring on the school bus is subject to the consequences listed for such conduct in this regulation, in addition to suspension or loss of riding privileges. The rules of conduct and consequences listed have been established to maintain safe passage of students riding buses to and from school. The complete list of transportation rules may be viewed in board policy JFCC-AP(1) These rules apply while students are on the bus and at or near bus stops. Certain discipline problems may occur on a bus that are serious enough to cause the principal(s) to disregard a step-by-step approach and take more significant action to resolve the problems. Violations such as smoking on the school bus, using profanity, fighting, use, possession or sales of any form of drugs or alcohol, refusing to follow reasonable directions of the bus driver, and other types of serious misbehavior may result in immediate and/or permanent suspension from riding the school bus. The sequence of consequences may be changed, and other rules may be established as determined necessary by school administrators to ensure proper safety standards. Again, any conduct on the school bus is subject to consequences listed in other sections of this regulation.

- 1<sup>st</sup> Offense:** A warning notice describing the incident will be given by the Principal. If the offense is severe enough, the student may be suspended from riding the bus.
- 2<sup>nd</sup> Offense:** A second offense will result in suspension of bus riding privileges for a minimum of three (3) days. The length of bus suspension will be in relation to the seriousness of the offense.
- 3<sup>rd</sup> Offense:** The student will be suspended from riding the bus for a minimum of four (4) days, up to twenty (20) days. Total number of days of suspension will be determined by the seriousness of the offense. Suspension will carry over to the next school year if it exceeds the number of days remaining in the second semester.

Consequences for any offense on the bus after the third (3<sup>rd</sup>) offense will be at the discretion of administration.

## STUDENT DISCIPLINE

The Student Code of Conduct is designed to foster student responsibility, respect for others, and to provide for the orderly operation of district schools. No code can be expected to list each and every offense that may result in disciplinary action; however, it is the purpose of this code to list certain offenses that, if committed by a student, will result in the imposition of a certain disciplinary action. Any conduct not included herein, any aggravated circumstance of any offense, or any action involving a combination of offenses may result in disciplinary consequences that extend beyond this code of conduct as determined by the principal, superintendent and/or Board of Education. In extraordinary circumstances where the minimum consequence is judged by the superintendent or designee to be manifestly unfair or not in the interest of the district, the superintendent or designee may reduce the consequences listed in this policy, as allowed by law. This code includes, but is not necessarily limited to, acts of students on school property, including playgrounds and athletic fields, parking lots and school transportation, or at a school activity, whether on or off school property.
