POLICY:

BOARD MEMBER CONFLICT OF INTEREST

CODE: A1

(MANDATORY)¹

Policy

It is the ethical and legal duty of all School Board members to avoid conflicts of interest as well as the appearance of conflicts of interest.

Definitions

“Conflict of interest” means a situation when a board member’s private interests, as distinguished from the board member’s interest as a member of the general public, would benefit from or be harmed by his or her actions as a member of the board.

Implementation

In order to comply with the obligations thus imposed, the Board and its members will adhere to the following recommended standards. (See attached, signed annually by Board members.)

1. Board members will be familiar with the VSBA or similar Code of Ethics and will observe their provisions.

2. Board members will be familiar with, and adhere to, those provisions of Vermont education law which define School Board powers and govern Board member compensation and public bidding processes.

3. A Board member will do nothing intended to give the false impression that he or she has the authority to make decisions or take action on behalf of the Board or the school administration.

4. A Board member will not take any action which is intended to give the impression that he or she would represent special interests or partisan politics for personal gain.

5. A Board member will not use his or her position on the Board in any manner intended to unfairly promote personal financial interests or the financial interests of family members, friends or supporters.

6. A Board member will not accept anything of value in return for taking particular positions on matters before the Board.

7. A Board member will do nothing intended to leave the impression that his or her position on any issue can be influenced by anything other than a fair presentation of all sides of the question.

Avoiding Conflicts

³

1.07.20.Docx
When a Board member becomes aware of involvement in a conflict of interest as defined in state law or this policy, he or she will declare the nature and extent of the conflict or appearance of conflict for inclusion in the Board minutes, and will abstain from voting or participating in the discussion of the issue giving rise to the conflict.

**Complaints of Conflict of Interest**

When a conflict of interest claim against a Board member is brought to the Board in writing and is signed by another Board member or a member of the public, and the Board member against whom the claim is made does not concur that a conflict in fact exists, the following Board procedures will be followed:

1. Upon a majority vote of the remaining Board members, or upon order of the chair, the Board will hold an informal hearing on the conflict of interest claim, giving both the Board member and the person bringing the claim an opportunity to be heard.

2. At the conclusion of the informal hearing, the remaining Board members will determine by majority vote to take one of the following actions:

   A. Issue a public finding that the conflict of interest charge is not supported by the evidence and is therefore dismissed.

   B. Issue a public finding that the conflict of interest charge is supported by the evidence and that the member should disqualify him or herself from voting or otherwise participating in the Board deliberations or decision related to that issue, as required by Vermont statute.

   C. Issue a public finding that the conflict of interest charge is supported by the evidence and, in addition to disqualifying him or herself from voting or otherwise participating in the Board deliberations or decision, the Board member should be formally censured or subjected to such other action as may be allowed by law.

Vermont Code of Ethics for School Board Members

As a member of my local school board, I will remember that my primary concerns must be the educational welfare of the students in my district and excellent return on investment for taxpayers. I agree to conduct myself in accordance with the following commitments. I will:

**Act within the scope of my official role:**
- Recognize that a board member’s responsibility is to see that schools are well run, but not to run them
- Act only as a member of the board and not assume any individual authority when the board is not in session, unless otherwise directed by the board
- Give no directives, as an individual board member, to any school administrator or employee, publicly or privately
- Avoid making commitments that may compromise the decision-making ability of the board or administrators

**Uphold the highest ethical standards:**
- Not receive anything of value, by contract or otherwise, from the school district or supervisory union unless it is received:
  - as a result of a contract accepted after a public bid
  - in public recognition of service or achievement
  - as a board stipend reimbursement or expense allowed by law for official duties performed as a member of such board;
- Not solicit or receive directly or indirectly any gift or compensation in return for making a recommendation or casting a vote;
- Agree to recuse and remove myself from board deliberation and votes when necessary to avoid the appearance of conflict of interest;
- Not agree to the hiring of a superintendent, principal, or teacher already under contract with another school district unless assurance is first secured from the proper authority that the person can be released from his or her contract.

**Respect my peers, my constituents, and confidentiality considerations:**
- Voice opinions respectfully and treat with respect other board members, administrators, school staff, and members of the public;
- Maintain confidentiality of information and discussion conducted in executive session and uphold applicable laws with respect to the confidentiality of student and employee information;
- Attend all regularly scheduled board meetings insofar as possible.

*I agree to abide by the principles outlined in this Code of Ethics and will do everything in my power to work as a productive member of the leadership team.*
