## 2019 Wisconsin FBLA Fall Leadership Conference

Lyle Trautmann, Fall River's FBLA Adviser, and Madison O'Brien, State Parliamentarian traveled to Stevens Point to take part in the Wisconsin FBLA Fall Leadership Conference on November 11 and 12. Madison started the Conference by leading everyone in the Pledge of Allegiance. Mr. Trautmann and Ms. Moehn, FBLA Region 6 Adviser, led the workshop "Roadmap to Salt Lake City-Competitive Event Resources". Madison would team up with David Suttner, FBLA Region 6 Vice President, to lead their workshop "Peppa, What are doing in our Fundraiser?"

The conference was attended by nearly 300 FBLA members and was led by FBLA's State Officer team and their advisers. This year was the first time Junior Achievement ran their Titan Business Challenge for anyone wishing to participate. The Keynote Speaker was Stephen Mackey. He brought an empowering, inspiring and equipping message to everyone in attendance. Bi-racial and born to a teenage mother, Mackey beat the odds to become a first generation college graduate, character development coach, and a motivational speaker. He emphasized to everyone to take responsibility for their attitude and actions. In his closing remarks he asked everyone what type of team player are you? Content, Complacent, Committed, or Compelled. Overall the Conference was a great experience for everyone who attended.

These girls, (Charli Kemper, Autumn Whittington, Chloe Kottwitz, Willow Pawlisch), through the Interact Club at Fall River, spent an hour at the Capitol Building in Madison serving food to the homeless population of downtown Madison. The mission of the Interact Club is "service above self" and these girls really know what that motto means. Good work girls!

# DECEMBER

## SOME PRESENTS DIFFICULT TO FIND

Upon walking down the now festive streets and browsing through the stores of local merchants, one gets the impression that every Christmas present imaginable can be found. There are however two presents, both having great educational significance, which have been more difficult if not impossible to obtain.

The first gift is a "Thought Adjuster." This is a hat like device which, when placed on the head of a child, will transform the child into an adult.

This could prove to be an interesting experience for many young people. They might realize that people over the age of 21 do not have an organized conspiracy of making life miserable for youth. They would learn that parents really do have their children's "best interest in mind" and that teachers pursued the education profession for higher ideals than "to get even with kids."

By wearing a "Thought Adjuster" children would have access to insights of their own life, in the not so distant future, when their formal education is completed and parents offer advice rather than issue mandates.

The children who put forth a sincere effort to meet their academic and individual responsibilities might appreciate how this behavior will benefit them in their adult life.

The children who have always taken a "get by with as little as possible" attitude (also known as the conversation of cerebral energy approach to education) will realize the consequences of such a viewpoint. Like Scrooge, such children will be so frightened of their future prospects that they make a decision to change their outlook on life and the importance of meeting their responsibilities.

The second present I seek is "Shrinking Shoes", which are meant to be worn by adults. Upon putting on the shoes the recipient begins to shrink until he/she is of the same physical, mental, and emotional stage as the child who gave the gift.

How much most adults have conveniently forgotten about being a kid. From the view point of a child we might have renewed insight and understanding of how to lead them, motivate them, and express our concern and love for them.

As expected these gifts have been difficult to find. Therefore parents and educators have to resort to a more conventional gift. We must continually reinforce to children the immense value of an education and the need for them to be responsible and productive individuals. At the same time we must be patient with the shortcomings of children, empathic of their needs, and supportive of their goals.

*As a side note, I want to wish each of you a warm holiday greetings. I am honored to be the Interim District Administrator for the Fall River School District. I look forward to meeting the wonderful people of the Fall River Community in the near future.*

## Fall Sports Recap

HS Volleyball: CONGRATULATIONS TO OUR VARSITY LADY PIRATES for an outstanding volleyball season! What a fun season!

- TRAILWAYS WEST CONFERENCE CHAMPIONS! Undefeated! Beat every team in our conference. The Lady Pirates did not drop one set in conference. Conference record 7-0. Conference set record 21-0
- TRAILWAYS CONFERENCE TOURNAMENT CHAMPIONS! 1st place out of 23 Trailways West, South & East teams. Made history!
- OVERALL RECORD: 30-10

Way to #WorkHardDreamBig & have #Synergy!

HS Football - Our football team finished the regular season with a 4-5 record with exciting wins for our Home Opener on our new turf field, our Homecoming for Fall River, and Senior Night on the Turf. This year we finished with 32 (19 Fall River/13 Rio) players on the Rebel Team. This year was focused on building a solid foundation through hard work and learning so our future can be bright! We also focused on building one UNIFIED team since it was the first year of the co-op with Rio; that is something that did happen and I can truly tell you by the end of the year we were one family. Moving forward we hope to continue on the successes we had this year and build our program that both communities can be proud of.

HS Cross Country: The numbers were fantastic this year! There were 29 high school and 14 middle school runners. The team competed at the Nightfall Classic in Wisconsin Dells on Friday, October 4th. Sixteen runners earned Personal Bests, and five runners had Season Bests! The Trailways Conference meet was held at Ripp Park in Waunakee on October 17th. Girls finished 10th. Boys JV took 1st, and boys varsity finished 11th. Middle school boys came home with a 5th place finish. Sectionals were once again held in Westfield on Saturday, October 26th. The weather was considerably better than the blizzard last year. Once again the Rebels finish in the middle of the teams, with girls in 12th and boys finishing 10th. Best wishes to seniors Adam Bristol and Madison O'Brion, and AFS runner Koen de Leeuw. You will be missed!

MS Volleyball: Competitive and hard working are definitely two words that could be used for the girls who were part of the 7th & 8th grade volleyball team. Every day they came to practices or games dedicated to give their best. 7th grade was one game short of going undefeated. Even during the close matches they showed their drive and competitiveness. 8th grade may not have won every game, but after every match their coaches heard compliments from other coaches, spectators, and referees about how competitive they were.

At the beginning of the season the coaches set goals of a certain amount of pass, set, hit attempts. Both teams more than doubled our goal per game. We also set a goal of being strong, responsible athletes. All of the girls went above and beyond any expectations we set.

We would like to thank the parents for all of their continued support throughout the season. We were lucky to have a spectacular group of girls!

MS Football: The Fall River Rio Rebels MS football team had a good season. This was the first year of the co-op with Fall River and Rio and all the kids worked together as one family. It was great to see both communities come together for the kids and all the support they showed. Although we did not win a game the kids had fun and I think we all learned a lot from each other this year. I was very proud of the way kids fought through adversity and how they never gave up. The season ended with a great trick-or-treating community service project for the Fall River/ Columbus Food Pantry.

MS Cross Country: It was an exciting year for the team. With this being only the second year that Fall River has offered Cross Country as a Middle School athletic option, our racers are fairly new to the sport but they have challenged themselves to work hard and meet their goals. There were 5 athletes who participated this season, 4 of them returning runners from last year and 1 new one. As a coach I tried to make practices challenging yet fun, to keep the athletes engaged and striving to perform better each race. Our overall best meet was held at the Columbus Country Club where all 5 of our FR runners met at least one goal that was set for them that day (several of them accomplish 2 goals that day). The comradery between each one of them was encouraging for me to see and showed that they were willing to not only push themselves but also push their teammates to do their very best. I am thankful to have had the opportunity to coach these kids and I am looking forward to seeing them again next year along with some new faces. If you are interested in more information about Cross Country and what you can do to get ready for the next season please let me know! Thank you, Katrina Blevins
