

## Cumberland Middle School Afternoon Dismissal Procedure

- Car riders and walkers will report to the cafetorium at the 2:50 p.m. dismissal time.
- After the departure of all buses, students will then be released and will exit the main doors of the middle school.
- Parents are not required to come into the school, but are welcome to come into the school and escort their student across the roadway.
- For the safety of students and parents/guardians, everyone is asked to refrain from walking in between parked buses.
- If you choose to escort your student across the roadway, please walk around the last bus that is closest to School Road.

We appreciate your patience and understanding regarding the afternoon dismissal procedure.
