Primary vehicle license number _____

RULES OF SAFETY FOR DRIVING/PARKING ON CAMPUS

1. Students must have a valid Arkansas driver's license and proof of vehicle insurance to drive or park a vehicle (car, truck, motorcycle, etc.) on the SHS campus.
2. All vehicles must be registered in the principal's office by the first day of school or prior to the date the student begins to operate them on campus.
3. Students will be assigned a numbered parking tag at the cost of \$20.00. This tag must be displayed in the vehicle so that it is visible through the windshield any time the vehicle is operated or parked on the campus. This tag is designed for use from its issuance until the student terminates his/her enrollment at Smackover.
4. All students except Seniors will park in the stadium parking lot. Seniors may park in the auditorium parking lot.
5. Students must not sit in cars after they are parked nor can they visit parked cars prior to the end of the school day without permission of the office or duty teacher.
6. Students are not permitted to drive off the campus and return during the school day except by express permission of the high school office.
7. Students are never allowed to park a vehicle on the campus in such a way that it blocks any other vehicle from being moved.
8. Students are never authorized to enter the campus by way of the street on the south side of the auditorium. This is an exit street only!

THE CAMPUS SPEED LIMIT IS 10 MILES PER HOUR.

Violations of any of these rules are subject to a fine assessed by the principal not to exceed five (\$5) dollars per episode.

I understand the above rules and will abide by them for my safety and the safety of others.
