

Jr. High and High School Supply List

Students should plan on having a notebook for each class as well as supplies to help them organize their paper assignments/handouts. Writing utensils will be needed. Consider purchasing a planner to keep track of assignments.

Students in physical educational classes will need a change of clothes and athletic shoes.

Wireless headphones will not be allowed this year. If your child would like to bring headphones to connect to their laptop, they must be wired.

Additionally, some teachers have requested their students have the following items. Please check our child's schedule to see if they have the teachers listed below.

Camino: 1" 3 ring binder, loose leaf paper, a notebook, enough pencils to come to class each day prepared. Recommended for Alg2 and beyond: a TI84 Plus CE calculator.

Demafiles: 1 inch binder, composition notebook, pencils

Essler:
