SCHOOL IS IN SESSION TO MAKE UP FOR ONE OF THE SNOW DAYS

(No teacher In-Service Day. Last student date at this point is June 16th 11:00 AM)

Kurr's Korner

Greetings Flu Warriors,

Wow, what a season it's been! This cold and flu season has me reminiscing back to the days of my first admin job when the "swine flu" was the scare of the season. A heightened flu season, coupled with a new virus can make it a very scary season for some. I want to ensure you that we are being proactive by disinfecting high contact surfaces each night, teaching students how to cough and sneeze in their elbow or a tissue, and encouraging proper and frequent handwashing. We know that the best way to prevent the spread of a virus is to wash hands thoroughly and stay home if you are sick. It's hard when students miss time from school and parents miss time from work, however, it will help limit the spread of illness.

We have ongoing and frequent contact with the Maine Center for Disease Control (CDC). We report symptoms of a variety of illnesses and follow CDC protocols as needed. Here is the most recent information that we have received from the CDC:

The Maine Department of Education is continuing to work with Maine CDC and providing updated guidance and information to schools, as it becomes available.

The U.S. Centers for Disease Control and Prevention maintain that the immediate risk of contracting this novel virus remains low in the United States. Maine has no confirmed cases for 2019-nCoV and no patients

Important Dates

Monday, March 23-27

Youth Arts Theme Week

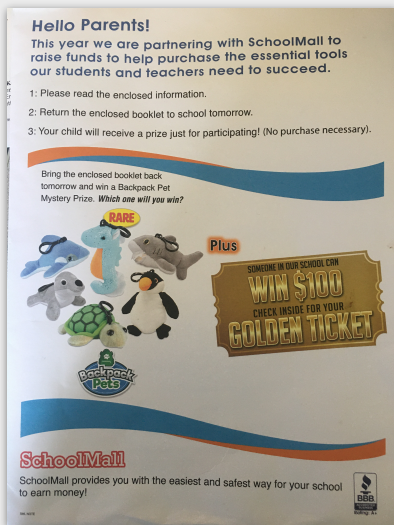

Wednesday, March 25

CSD Board Meeting
6:00 PM in the BRHS Library

Tuesday, March 31

Quarter 3 Ends

Please return no later than Tuesday, March 3rd.

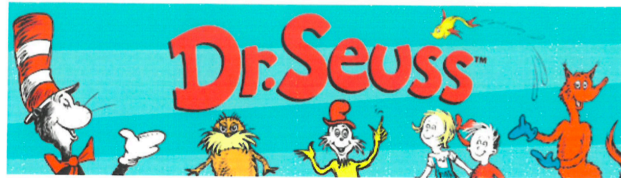

under investigation at this time. Maine CDC is working with U.S. CDC to monitor the situation, provide healthcare providers with the latest information, and stay up-to-date on any potential cases they may see. There are ongoing investigations to learn more. This is a rapidly evolving situation and information will be updated as it becomes available.

The greater risk for Mainers at this time, is seasonal influenza and it is not too late to get the flu shot.

The best preventive measures for all infectious diseases include washing hands thoroughly with soap and water, covering your mouth and nose when coughing and sneezing, and staying home when you feel sick.

Spring is just around the corner- hang in there!

Shawna

Hello Families,

We will be celebrating Dr. Seuss' birthday (Tuesday, March 2) and National Read Across America week! We will be doing something silly each day to celebrate. We have told children that it is ok if they do not participate, but it will be fun if they did!

Monday	<u>The Cat in the Hat</u> Dress as the "Things!"
Tuesday	<u>Fox In Socks</u> Silly Sock Day
Wednesday	<u>Wacky Wednesday</u> Dress in mismatched clothes!
Thursday	<u>The Cat in the Hat Comes Back!</u> Wacky Hat Day (or regular hat day!)
Friday	<u>Oh The Places You'll Go</u> Dress as what you'd like to be when you grow up!

BRES Cheerleaders

Congratulations Boothbay Region Middle School Cheerleaders for placing third in your Busline League Cheering Competition! We are so proud of you and how you represented your school!

“Be The Light”

On February 12th BRES came together to celebrate their school community during the “Be The Light” All-School Assembly. We celebrated kindness and shared love with each other in song, stories, and dramatic skits. Each and every member of our school family is special and appreciated!

Dental Clinic

Have you seen a dentist in the last 6 months? Lincoln County Dental is visiting our school and would love to see you smile. Professional cleaning, sealants, hygiene exam and fluoride applications are being offered.

Please see Ms. Pound (207)633-1934 at the School Health Center for additional information or an application to take part in this wonderful opportunity today!

Jump Rope Club

Students in grades 2-8 are invited to join the BRES jump rope club as we prepare for a spring show. Participants will have the opportunity to learn short rope, long rope, and partner rope skills all while improving fitness and having loads of fun! Practices will be held on Thursday mornings from 6:45-7:45 and will begin on March 5th. Registration forms are available in the BRES office or from Mrs. Brown.

Adventures in Middle School

“Adventure is out there!” Students in the 8th grade have been actively involved in learning about Sir Ernest Shackleton and his fated Antarctic expedition. To understand the daily rations of the crew, Ms. Chase made “hoosh” which was food of the explorers. “Hoosh” is made with blended hamburger, vegetables, oatmeal, brown rice, sugar, salt and LARD.

**Inclement Weather Date: Thursday, March 5, 2020
7 PM**

Congregational Church of BH

Singers need to dress nicely and be in their performance seat at 6:55 PM

Picnic Lunch Concerts Return

March is **Youth Art Month** celebrating all of the arts and arts education. At BRES we have many events planned to highlight arts education. One of the popular events from past years has been the Wednesday Picnic Lunch Concerts which will begin again on Wednesday, March 4th, 2020.

Students are asked to bring a towel or blanket to sit on during lunch. They eat lunch seated on the floor while listening and watching local performers. Families are invited to come and join their students during lunch in what has become a fun opportunity for sharing among all the ages.

Our first performer, Gray Ferris, is new to the BRES community having joined the staff this year supporting students in Grades 4,5, and 6. He is a professional French Horn player when he isn't teaching. He plans to play by himself and with some friends. Come share the excitement!

4th Grade BRES Family Cookbook

The fourth grade has recently finished reading *A Long Walk to Water*, by Linda Sue Park, which is based on a true story of a South Sudan refugee. The message of water inequality has motivated our students to take action. Salva Dut, the inspiration for this book, has created Water for South Sudan, a foundation for drilling clean water wells for villages in Africa. Every year they have a fundraising challenge, The Iron Giraffe Challenge, and our students feel passionately about earning money to support this.

HERE IS OUR BIG AND SUPER EXCITING IDEA!!!

We are going to make a **BRES family cookbook**. In order to do this, we hope to collect everyone's favorite recipes (staff, students, families) PK-8. This cookbook will also include pieces of writing and artwork created by the 4th graders, based on their learnings from this book. If we can sell at least 100 cookbooks to the community for \$10 each, we can meet this fundraising goal of \$1000!

Here is the website for more information:

<https://www.waterforsouthsudan.org>

Our next step is to start collecting recipes. If you have a recipe you would like to contribute, please email it to jlassen@aos98schools.org, or have your child bring the recipe to school to give to Mrs. Lassen. Please submit recipes by March 12th.

Thank you so much!!
The 4th Grade Team

Help us raise \$1 million for local schools!

Children are our future and by raising money for local schools, we ensure their success. Help us raise \$1 million this year by purchasing participating products and spreading the word to friends and family.

Look for participating items with these tags:

4 products = 3 School Dollars
(8 products = \$6, 12 products = \$9)

The highest earning school per store receives a \$1,000 bonus

NEW! Hannaford will double the payout to all schools registered at the store with the highest % increase in School Dollars redeemed - one store in each of our five states!

helps schools

Together, we're greater than groceries.

From The Cafeteria
