

5420 - Spending Policy

2011 5420

Non-Instructional/Business Operations

SUBJECT: SPENDING POLICY

Resources will generally be spent from Budgetary Appropriations first. Utilization of reserve funds will be determined based on the legal appropriation of such funds, which require either the Board of Education and/or the District voter approval. Furthermore, assigned amounts will be considered expended when the transaction for which the assignment was made does occur.

Adopted: 6/20/11
