

Staff Spotlight

February 2020

Chris Riggins

Maintenance / Bus Driver, Bishop Unified School District

If you haven't had a chance to work with Chris yet, you're missing out. He may be among our most universally appreciated staff members, always willing to lend a helping hand and just a delight to be around. Chris has been part of the BUSD family for the past 2 years, or really, his whole life. Born and raised in Bishop, he's a proud dad and long-time hunter and fisherman. He says his favorite part of his job is the kids. Yes, a bus driver who truly looks forward to a bus full of students every day! We couldn't be luckier to have Chris on board with us.

Adjectives:

hard working, helpful, dependable, friendly, flexible, handy

What people have to say about Chris:

Chris can be counted on to do pretty much anything - he's helpful, flexible, competent, and truly a pleasure to work with!

He's a really good handyman besides being a nice guy.

I love working with Chris! He's just so pleasant to be around, and happy to help any and everyone out. Whenever we have to figure out scheduling or transportation needs, he's extremely flexible and has an ability to handle just about anything.

Hard working, good attitude, if he doesn't know how to fix something he researches how to. He's also punctual, and will try anything that the job calls for.

When we discovered a water leak under a building at BES, Chris tunneled under the building and fixed the leak, saving the district a great deal of money. He's a great problem solver.

A true asset! He takes care of everything!
