

# Building Resilience Series

Monthly talks and special events about supporting the emotional wellness of kids and teens

## Cannabis, Vaping and Nicotine Addiction Creating a Better Understanding

Wednesday, March 4 • 4 - 5:30 p.m.  
Shipley Auditorium • Newton-Wellesley Hospital

*Featuring Dr. Elizabeth Booma, Chief of Child and Adolescent Psychiatry at Newton-Wellesley Hospital*

Join us for a discussion about marijuana, vaping and nicotine.  
Learn the facts and talk to your kids.

The Resilience Project is a philanthropy-driven initiative committed to promoting the well-being of school-aged children and their families within the communities we serve. For more information about how you can help, please contact NWH Development at 617.243.6243 or email [NWHDEV@partners.org](mailto:NWHDEV@partners.org). To make an online gift, visit [giving.nwh.org/donate](http://giving.nwh.org/donate).

**This is a FREE Event.**
