**Dear Parents and Guardians,**

We are excited to announce the launch of a sports program for children with special needs and 504 plans. It is open to players ages 4-12 and up from the Winchendon, Gardner and Narragansett school districts. This will be our fourth season, with "Intro to Sports" each season. Every 1-2 weeks a new sport will be taught in the fall and resuming again in the spring. The Winchendon School and Winchendon, Gardner and Narragansett school districts will provide buddies for children. The younger children will all be paired with a buddy. The older kids will play against coaches, buddies and/or each other. Games will be modified in time and rules to ensure that each child gets to touch the ball, score goals, and play different positions. There will be no penalties.

Our games will be played on Sundays from 11:30am-12:30pm. The detailed schedule is listed below. We will either have games at The Winchendon School gym or fields or have them at Mill Circle Horse Farm. Our final day for the Spring season will be Sunday, Saturday May 16. We will have awards, food and fun. Shirts and all equipment will be provided. Players should bring their own sneakers, or indicate on the registration form if they would like the program to help provide them; there is no cost for the program.

If you are interested or have any questions please email the program directors:
