## **Budget Follow-up Questions Donna H. Wolfrom**

1. What is the actual cost of the proposed district-wide nursing support aide? What is the cost of a .5 LPN?

Based on information from other districts who have hired an LPN, the cost for a .5 LPN would be \$14,315 (salary) and \$12,932 (benefits) for a total of \$27,247. We have learned from the past that it is important to have an LPN in this position.

2. There was a recommendation by a former Board Chair to add iPads for school board members (as the town council members have) to support our strategic goals around environmental responsibility. Is that included in the school board budget?

Yes, iPads for School Board members (\$4,000) are included in the FY21 School Budget.
