Lance Erlwein - Treasurer

Dear Parents and Friends,

The Administration and teachers of Belpre City Schools take pride in the education offered to students in the district. There can be no better partners in this excellent educational program than volunteers. Volunteers donate many hours to the school system each year.

Volunteers are needed to handle a variety of responsibilities. Teachers and other school staff members value and support volunteers who soon become involved with the educational process.

Due to insurance and safety issues, ALL volunteers are required to complete this volunteer application each year and be approved by the Board of Education. We must have the completed application BEFORE we can submit your name to the Board at its monthly meeting. Please return this application in the school where you would like to volunteer. Thanks for helping us make Belpre City Schools the best they can be.

Jeff Greenley, Superintendent
