Maine's accountability system provides a broad picture of public education throughout Maine and highlights those schools that need additional support. Maine has selected five measures of school accountability, called indicators. These indicators include: Chronic Absenteeism, Academic Progress, Progress in English Language Proficiency for English Learners, Academic Achievement, and Graduation Rate. RSU 49/MSAD 49's progress for each indicator is reported on the following four levels: Emerging, Developing, Meeting, and Excelling.
