

4 February, 2020

To All Parents of HHS Students,

Hesston High School is currently making preparations for parent-teacher conferences on Monday, February 10 and Thursday, February 13. While Infinite Campus provides convenient access to grades, we believe that face to face contact is critical to building positive home/school relationships. Teachers might contact you with specific concerns prior to the conferences, but we would like for all of you to attend!

Please stop by the High School Commons between the hours of 4:00 and 8:00 pm to meet with teachers. If you cannot attend conferences, please email your child's teachers directly or call 327-7122 at your earliest convenience to visit with teachers about your student's progress.

Tuesday, February 25, there will be statewide ACT testing for most Juniors who will be taking the ACT for the first time. If your child is NOT taking the ACT at HHS on February 25, they will not have school. If your child IS taking the ACT, they will need to be in the building at 8:00 am for breakfast. Lunch will be served to those that signed up to eat following the test.

Students taking the ACT WorkKeys test will be bussed to AgCo at 7:45 on Wednesday, February 26.

State Assessments for Sophomores and Juniors will be March 24-27. Classes each of these days will begin at 9:45 am. Block schedule information regarding specific student participation in assessments is included.

Sincerely,

Ty Rhodes, HHS Principal
