

A special opportunity for Middle and High School students.

WFLD is proud to present a special leadership experience for family members of BCBSKS:

# STUDENT SELF LEADERSHIP

Looking for something worthwhile and fun for your teen or pre-teen over their spring break?

**Imagine students who are proactive, accountable and know how to get what they need to achieve their goals.** Imagine students who are self-confident because they understand their strengths and are not held back by negative thinking. Imagine young people able to overcome barriers and persevere against life's inevitable challenges. Imagine our youth becoming competent leaders with servant hearts leading families, communities and organizations.

Blanchard Institute has developed a six-hour student self-leadership program that serve youth in middle school and high school. The program teaches youth the best and most effective content and skills developed for employees and managers by The Ken Blanchard Companies over the last 40 years.

This program will be limited to three groups of 20 participants and will be held at Polk Auditorium. Space is limited so be sure to save your spot quickly. A small fee of **\$25** per participant will be collected at the time of registration. Lunch, materials, and T-shirt are included. **Make checks payable to BCBSKS.**
