Principal's Notes
by Jeff Boston

To Our Students, Parents, and Teachers,

As you are aware, we piloted our Blizzard Bags Day last week. I wanted to take this opportunity to thank everyone for their efforts with ensuring the academic activities were completed. We had a completion percentage of 87%!

The Board of Directors of the Maranacook Education Foundation believes that we have excellent employees in our school district who provide outstanding educational and support services to the students we serve. In an effort to show appreciation for their service, we are creating a process to recognize an employee each month. Recipients for this recognition will be randomly selected from employees nominated for their excellent efforts by fellow staff, parents, students and community members. Each recipient will receive a small honorarium and most importantly, the public recognition they so richly deserve. Those nominated can be teachers, administrators, coaches and support staff who work in every department in the district. Please use [this link](#) to complete the nomination form in order to make your admired employee a candidate for this recognition.

RES will be offering free childcare during parent teacher conferences. They will be open until 7pm and they must be signed in and out of the gym.

We are in the process of updating our incoming list of kindergarten students for the 2020-21 school year. If you are a parent of an incoming Kindergartner for next school year who will be 5 years old on or before October 15, 2020, and they are **not currently** enrolled in our pre-k program, please call Amanda Hreben at (685-4406) to schedule an appointment for a screening appointment. Screening dates are scheduled for March 31st and April 1st. If you know of any parents who may have a child eligible to begin school in the fall, please pass this information along.
