

COLUMBIANA EXEMPTED VILLAGE SCHOOLS
 CONTINUING CONTRACT ELIGIBILITY VERIFICATION FORM
Licensed PRIOR TO January 1, 2011

Having met the below-listed educational, certification/licensure and employment qualifications (from Ohio Revised Code 3319.11) as checked, I am requesting consideration for a Continuing Contract.

 Candidate Signature _____
 Date

- () _____ The candidate holds an 8-year professional or a permanent certificate, or a 5-year professional, senior professional, or lead professional educator license.
- () _____ The candidate has completed 6 semester hours of graduate coursework in licensure area or related fields since receiving the initial certificate or license if Masters Degree held when initially licensed or certificated.
- OR-**
- () _____ The candidate has completed a Master’s Degree or 30 semester hours in related educational fields since receiving the initial certificate or license if Masters Degree was not held when initially licensed or certificated.
- () _____ The candidate has worked 3 of the last 5 years at Columbiana Exempted Village Schools. (Or 2 years if continuing contract status was attained elsewhere as detailed below. In this situation, the board of education, upon recommendation by the superintendent, may at the time of initial employment, or at any time within the two-year period, declare a teacher eligible for a continuing contract.)

All preceding qualifications must be met in order to be considered for continuing contract. Forward completed form to Superintendent’s Office for verification and processing.

From 7/1/22 - 6/30/25 CEA Master Contract, Article IX: Job Security, Section F: Granting of Teacher Contracts:

*A unit member eligible for a continuing contract **will be considered the following May for the continuing contract.** **The teacher must inform the Building Principal in writing, with a copy to the Superintendent, of their eligibility by November 1st in the school year in which the teacher becomes eligible.** Continuing status shall be granted in accordance with O.R.C. 3319.11. The continuing status will become effective immediately upon Board approval. Failure to provide notification will waive eligibility until May of the following year.*
