Fayetteville Parks and Rec is teaming up with the staff and players of the Fayetteville High School Softball Team for a youth softball clinic to help the youth get ready for their upcoming season and to help grow the game in the community.

Fayetteville Softball recently completed an improvement project of their facilities. It's a must-see for anyone interested in playing softball.

There is no sign-up required. Just show up and have a great time.

Rain-out - the clinic will still be on at the BARC at FHS. It is the indoor facility behind the baseball field.
