Evaluation and Award Process

After determining that a bid satisfies the mandatory requirements stated in the RFP, the LEA shall use both objective analysis and subjective judgment in conducting a comparative assessment of the bid. The LEA must evaluate the bids and must state in the RFP/contract how they plan to evaluate the bids.

Weight	Criteria
20 points	Price/Cost (Price must be primary factor)
10 points	Service Capability Plan
10 points	Experience, References
10 points	Financial, Condition/Stability, Business Practices
10 points	Accounting and Reporting Systems
10 points	Personnel Management
10 points	Innovation
10 points	Promotion of the School Food Service Program
10 points	Involvement of Students, Staff, and Patrons
100 Total	(Must equal 100)

While price alone is not the sole basis for award, price remains the primary consideration when awarding a contract under the competitive proposal method.

The LEA's officers, employees, board members, or agents shall neither solicit nor accept gratuities, favors, nor anything of monetary value from contractors nor potential contractors. To the extent permissible under state law, rules, or regulations, such standards shall be provided for appropriate penalties, sanctions, or other disciplinary actions to be applied for violations of such standards.

Competition

All procurement transactions must be conducted in a manner providing full and open competition consistent with the standards of this section. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, or invitations for bids or requests for proposals must be excluded from competing for such procurements. (2 CFR 200.319)

Some of the situations considered to be restrictive of competition include but are not limited to:

- (1) Placing unreasonable requirements on firms in order for them to qualify to do business;
- (2) Requiring unnecessary experience and excessive bonding;
- (3) Noncompetitive pricing practices between firms or between affiliated companies;
- (4) Noncompetitive contracts to consultants that are on retainer contracts;
- (5) Organizational conflicts of interest;
- (6) Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance or other relevant requirements of the procurement; and
- (7) Any arbitrary action in the procurement process

FSMC INFORMATION – (FSMC COMPLETE PAGES 9-13)

Fixed Price Financial Agreements

LEA must choose option A or B. The SA mandates the Meal Equivalent Factor. If chose option A the fixed price per meal and outside catered events will be subject to the percent change in the Consumer Price Index (CPI) for all Urban Consumers from May of the previous year to May of the current year, at the time of contract renewal. The specific CPI used will be published in Federal Register Notice, Department of Agriculture, Food and Nutrition Service, National School Lunch, Special Milk, and School Breakfast Programs, National Average Payments/Maximum Reimbursement Rates. If chose option B, fixed prices must be stated for the current year and the additional four renewal years.

RFP/Contract Additional Provisions

Additional requests made by the FSMC are to be included on this page. FSMC additional RFP/contract provisions must be reviewed and approved by the SA.

General Information – Terms and Conditions to be Included in RFP\Contract (Pages 14-27)

The LEA wishes to retain the FSMC to provide certain food and food related services at the sites specified by the LEA. The contract is acknowledged by the LEA and FSMC to be satisfactory and adequate. Both parties agree as follows:

1. The food service program provided shall be operated and maintained as a benefit to the LEA students, faculty, and staff.
2. The FSMC must give evidence of financial stability.
3. The FSMC must be licensed to do business in the State of Missouri.
4. Award shall be made to a qualified and responsible offer whose proposal is most responsive to this solicitation. A responsible offer is one who's financial, technical, and other resources indicate an ability to perform the services required by this solicitation.
5. The FSMC or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals; failure to do so will be at the FSMCs own risk and cannot secure relief on the plea of error.
6. The LEA is not liable for any cost incurred by the FSMC prior to the signing of a contract by all parties. **Paying the FSMC from the Child Nutrition Program funds is prohibited until the contract is approved by the SA, and signed by both parties.**
7. Provisions for equipment purchases that entail repayment to the FSMC over a period in excess of one year are not permitted.
8. No oral interpretation will be made to any FSMC as to the meaning of the RFP. Any oral communication will be considered unofficial and non-binding on the LEA. Unauthorized contact by the FSMC with other LEA employees or LEA Board Member regarding the RFP may result in disqualification. Each request for such interpretation shall be made in writing to the LEA. Every interpretation made to the FSMC will be in the form of an addendum to the specification, mailed to each FSMC, and will be on file at the school. All such addenda shall become part of the final contract and FSMC shall be bound by such addenda.
9. In the event the contract initially awarded by the LEA is terminated for any reason within 120 days of the due date for proposals, the LEA reserves the right to accept any other submitted proposal in conformance to the requirements of this solicitation including submission by the original date by which such proposals where due.
10. A material change is a change that, had other bidders known of the change at the time they submitted their responses, would have caused them to bid differently. In this instance, the LEA should publish a new solicitation that accounts for anticipated changes in labor fees and award a new contract for the next school year. *Scenario:* fees requested by a FSMC that are in addition to the fixed price as agreed to in a contract awarded through means of an (a)IFB or (b)an RFP cannot be paid from the nonprofit school food service account (NSFSA). The additional fees represent a material change to the contract.

Intent

1. The FSMC shall conduct the food service in such a manner as will ensure compliance with the rules and regulations of the SA and the USDA regarding Child Nutrition Programs.
2. The LEA is prohibited from entering into contracts that are on a "cost-plus-a-percentage of cost" or "cost-plus-a-percentage-of-income" basis.
3. If the LEA determines that significant changes are necessary, the LEA must rebid the contract. The following changes would normally not substantially change the contract.

Number of schools - new schools added;

Changes in enrollment - decreased and increased in student enrollment and the corresponding change expected in participation;

Changes in meal prices charged to students by LEA - meal price changes (determined by the LEA);

Cost increases - cost increases limited to a measurable index (such as the Consumer Price Index for all Urban Consumers). Examples of substantive changes which could require the LEA to rebid the contract include; the addition of a program, such as the SBP; major changes to the formula for determining meal equivalence; or major shift in responsibilities for the LEA/FSMC staff.

Economic price adjustment - subject to the percent change in the CPI. The specific CPI must be used for all additional fees requested by the FSMC. Contract management would require that the LEA verifies all increase/decrease in price adjustment.

4. The FSMC shall cooperate with the LEA in promoting nutrition education and coordinating the LEA's food service with classroom instructions.
5. The LEA reserves the right to maintain present food and beverage vending machines in its facilities.
6. The FSMC will be required to use the LEA's point of sale software. Information regarding the software will be available at the pre-bid conference.
7. The FSMC shall be an independent contractor and not an employee of the LEA. The employees of the FSMC shall not be employees of the LEA.
8. The FSMC shall provide additional food service, such as banquets, parties, refreshments for meetings, etc, as requested by the LEA. The LEA or requesting organization will be billed for the actual cost of food, supplies, labor, and the FSMC's overhead and administrative expense if applicable to providing such service. USDA donated foods shall not be used for these special functions.
9. This contract constitutes the entire agreement between the LEA and the FSMC and may not be changed, extended orally, or altered by cause of conduct.
10. No provision of this contract shall be assigned or subcontracted without prior written consent of the LEA.
11. Any agreement between the LEA and the FSMC shall be subject to approval by the SA.

Duration and Termination

1. This contract shall be for duration of no longer than one year; and options for the yearly renewal of a contract may not exceed four (4) additional years. (7 CFR 210.16(d))
2. Either party may cancel for cause with 60 day notification. (7CFR 210.16(d))
3. Any amendment, addendum, and/or renewal to the contract shall become effective at the time specified and must be sent to the SA.
4. Neither the FSMC nor the LEA shall be responsible for any losses resulting if the fulfillment of the terms of the contract is delayed or prevented by wars, acts of public enemies, strikes, fires, floods, acts of God, or any other acts which could not have been prevented by the exercise of due diligence.
5. Ensure that the SA has reviewed and approved contract terms and that the LEA has incorporated all SA required changes into the contract or amendment before any contract or amendment to an existing FSMC contract is executed. Any changes made by the LEA or FSMC to a SA pre-approved prototype contract or SA approved contract term must be approved in writing by the SA before the contract is executed. When requested, the LEA must submit all procurement documents, including responses submitted by potential contractors, to the SA, by the due date established by the SA. (7 CFR 210.16(a)(10))

Fixed Price Financial Agreements

1. Meal equivalent factor to be used is mandated by the SA. The LEA will require the FSMC to convert all receipts from cash or a la carte sales to equivalent meals and charges to LEA made at the student lunch contract rate according to the following formula:

Amount LEA is to be billed for a la carte program = (total a la carte sales) / (meal equivalent factor) (X) fixed price per meal.

Example: a la carte revenue \$100,000 / (divide) meal equivalent factor (mandated by SA) **3.75= (equals)** meal equivalents 26,667 meal equivalents **26,667 X (times)** fixed price per meal (mandated by SA) **\$2.00 = (equals)** charge to LEA by FSMC \$53,334.

2. Meal equivalent factors shall be utilized in determining equivalent meals for a la carte sales and sales accruing from a LEA sponsored catered events.
3. For outside catered events not directly invoiced to the LEA the meal equivalent factor will be utilized to determine the appropriate credit to the LEA.
4. The fixed price must include all labor (including bonuses, if any) and expenses as shown below. They may not be charged back to the LEA in any other manner.
 - Menu development specific to the operation
 - Nutrition education materials and program expense
 - Design services specific to the operation
 - Education program via assembly programs, school room programs, parent/teacher meetings, and school food advisory committee meetings
 - Personal representation, visitation, and coverage on a regular basis by a principle of FSMC
 - All accounting
 - All payroll costs and documentation
 - Administrative dietetic, nutritional, sanitation, and personnel advice
 - All costs incurred in hiring and relocating, if necessary, the FSMC management team
 - All training costs for FSMC employees
 - All miscellaneous costs to operate the program; i.e., consumable marketing materials
 - One-time performance bond
5. The FSMC shall submit an invoice to the LEA weekly based upon the actual number of meals served during that calendar week, or monthly based upon the actual number of meals served during the calendar month multiplied by the daily rates for the total billing.
6. The LEA's failure to pay as invoiced shall constitute a breach of the contract. In the event any invoice is unpaid for more than 45 days, the FSMC shall have the right upon ten (10) days written notice to terminate performance under this contract. The LEA further agrees to pay all costs of collection of amounts due including a reasonable attorney's fee. Waiver by FSMC of the right to terminate for one or more late payments shall not constitute waiver of FSMC's rights for future late payments.
7. Fixed price per meal contracts awarded on a per meal basis and revenues from nonprogram foods sales converted into meal equivalents to which the fixed price cost is applied, the FSMC will annually provide information on food costs and revenues. The information must include food cost for reimbursable meals, food cost for non-program foods, revenue from non-program foods, and total revenue. Nonprogram foods include: a la carte; catering; vending; and student stores operated, or any other sales generated through the nonprofit school food service account not already described. This information is used to determine compliance with revenue from nonprogram foods a 7 CFR 201.14(f).

Professional Standards for Local School Nutrition Personnel

The final rule seeks to insure that local school nutrition personnel in the National School Lunch and School Breakfast Programs have the knowledge and skills to manage and operate the programs correctly and successfully. The training standards apply to contract employees that are involved in the management or operation of the school nutrition programs, regardless of the contract duration. The LEA must request documentation from the FSMC to show compliance with the annual training standards.

Training standards do not apply to a vended meal provider commercial entity off-site from the school food service that provided pre plated meals. However, the LEA director must insure that vendors providing meals for the school nutrition programs have the knowledge and skills to supply safe and nutritious meals that meet the meal patterns and dietary specifications.

Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms (2 CFR 200.321)

- (a) The non-Federal entity must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible.
- (b) Affirmative steps must include:
 - (1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
 - (2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
 - (3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum

participation by small and minority businesses, and women's business enterprises;

(4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

(5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

(6) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (1) through (5) of this section.

Food Service Management Company Responsibilities

1. The FSMC shall comply with the rules, regulations, policies, and instructions of the SA and USDA and any additions or amendments thereto, including USDA Regulation 7 CFR Part 210, 220, 245, 250, 3016, 3017, 3018, and 3019.
2. The FSMC shall not sell or offer on the premises of any school, any food, or beverage item other than the prescribed meals except those a la carte items authorized by the LEA.
3. The FSMC shall serve, on such days and at such times as requested by the LEA:
 - a. Lunches, breakfasts, and after school snack priced as a unit, which meet the requirements prescribed by USDA.
 - b. Milk, served to all children.
 - c. Other foods as may be agreed upon by the FSMC and the LEA.
4. The FSMC shall serve free and reduced-priced meals, after school snacks or free milk to those children designated by the LEA.
5. The FSMC is required to make meal modifications for students with a disability. Substitutions are made on a case-by-case basis and must be supported by a medical statement describing the student's physical or mental impairment. The medical statement must be signed by a medical authority (Physician – M.D. or D.O., Physician Assistant, Assistant Physician or Nurse Practitioner). The FSMC is permitted to make meal modifications for a student without a disability if the modification can be made within the meal pattern.
