

ATTENDANCE:

*A Key to Your Student's
SUCCESS*

Schools are responsible for teaching your child. But schools can't do their job if your child is absent. Learning builds day by day. A child who misses a day of school misses a day of learning.

Being late for school hurts a child's learning, too. A student who is 10 minutes late everyday will miss 30 hours of instruction during the year.

Children can copy notes or make up an assignment, but they can never get back what's most important: the discussions, the questions, the explanations by the teacher and the thinking that makes learning come alive.

*Your child's success in school depends on having a solid educational background-one that can only be gained through **regular school attendance**.*

SARC

(School Accountability Report Card)

The 2018-19 School Accountability Report Card (SARC) is available in the school office and on the district website at www.palermoschools.org. Under Proposition 98, California schools are required to prepare report cards annually and disseminate them to the public. The purpose of the SARC is to provide parents and community with information about the condition of school facilities and safety, staff and curriculum, school finances, and student academic performance.

Note to Parents and Guardians:

If your student is going home with another student, please remember that the bus driver and school office require a note from both parents and/or guardians giving their permission.

Students will also need a note if they are going to ride a different bus route home. These rules are put in place for the safety of all our students.

Also, please remember to follow safe driving procedures when you are dropping off or picking up your student. Drive slowly, no u-turns in the parking lot, and drop off and pick up students in the designated areas only.

Thank you for your cooperation!
