

Avon Campus Principal's Report December 11, 2019 Board Meeting

Our Special Education Department at AAMS hosted a Thanksgiving Feast for the Special Education students, teachers, paras, board members, and administration. The students prepared all the food, invitations, and decorations for the event. The food was excellent! Thank you to our Special Education Department for giving our students the chance to host such an amazing event.

Thank you to the board for the opportunity to attend the IASB Conference in Chicago. I was able to attend several sessions to gain information about legislation, school culture, and maximizing building space.

Winter MAP testing is in process for Avon Elementary and Abingdon-Avon Middle School. We have rearranged our testing schedule to try to give our students the best opportunity for success.

The last week before winter break the Student Council will be hosting a week's worth of dress up days for the AAMS students. On Friday the 20th, Ms. Britt has put together many fun activities including a Christmas walk to show off the artwork of our students, a carol sing, and fun afternoon activities.

December 16th will be the music concerts for the Avon Campus. The AES students will perform first, K-2 at 6:00 pm and 3-5 at 6:30 pm. The AAMS band and choir will begin their performance at 7:00. All performances will take place in the AAMS gymnasium.

Our AES HEROes for this month are: Eloise Dare, Matthew Donahue, Lyndie Snyder, Deke Anderson, Shay Powell, Taylor Hendel, Brixton Evans, Kent Hendricks, William Boone, Caden Rogers, Bradley Ennis, Elizabeth Backstrom, Corbin Stenger, Rilynn Evans, Hailey Camp, Cooper Anderson, Lexi Guilliams, & Kamren Fowler.

Check out the bulletin board outside the 5th grade classroom to see our HEROes flying!
