

BAY FARM

*enrichment*

Spring 2020

Bay Farm is proud to offer Enrichment Programs that give our students the opportunity to participate in educational and recreational activities beyond the regular classroom. We provide a variety of classes in a warm and caring environment. A complete list of Spring Enrichment Programs, schedules, and rates can be found within this brochure.

In order to properly prepare for classes and sport games, timely registration is very important. If you would like to enroll your child/children in any of these programs, please complete and return the application form to the office no later than March 24, 2020.

Please note: All classes are contingent upon adequate enrollment. All classes are filled on a first-come, first-served basis and may fill up before the deadline.

If you have any questions regarding Spring 2020 enrichment please email [enrichment@bfarm.org](mailto:enrichment@bfarm.org).

**Note:**

Some of our enrichment classes require parent volunteer drivers. If you are interested in driving to and from an enrichment activity, please sign-up by visiting <http://bit.ly/bayfarmdrivers>.

## Archery

Grades 3-8, Max of 12 Students

Main Bay Farm Parking Lot

Instructors: Dee Sacchetti

Archery is a sport that anyone can pursue. Students will learn how to properly hold and load a bow and gain an appreciation for being patient and positive. Our youth archery program offers children the unique opportunity to discover the joy of shooting a bow as well as learning about the different disciplines of the sport. Students will learn proper shooting form based on the National Training System (NTS). The NTS method was created by USA Archery Head Coach Kisik Lee and is based on his analysis of body control, muscular requirements, and mental concentration needed to generate a good shot. A variety of creative and challenging target games are incorporated in every class to ensure that students have fun while learning proper techniques.

**About the Coach:** With 9 years of experience in the archery industry and over 20 years of experience working with children in various educational settings, Dee Sacchetti has had plenty of time to develop her own unique style of instructing archery techniques to children of all ages.
