March 10, 2020

School District of Greenwood Families,

The health, safety and well-being of our students and staff are the top priorities in the School District of Greenwood. With the recently elevated discussion regarding the coronavirus disease (COVID-19) in the news, we want to take a moment to reinforce preventive safety measures and reference our process and communications.

First, it is important to remember that at this time, there has now been three confirmed cases of coronavirus in Wisconsin. As a school district, we are closely monitoring the situation and taking guidance from the Wisconsin Department of Health and the U.S. Centers for Disease Control and Prevention (CDC). There is currently no recommendation to close schools in the United States.

We encourage our students, staff and families to be mindful of key preventive measures. Attached you will find important information and resources from the Clark County Health Department.

In addition, please remember that **if children are sick, they should not be at school**. Students need to be fever-free for 24 hours before returning to class after any illness. Keeping children home when they are sick is critical to prevention.

If you have any questions, please do not hesitate to contact my office at 715-267-6101 or tofelhofer@greenwood.k12.wi.us

Sincerely,

Todd Felhofer
District Administrator / 7-12 Principal
