RE-ENROLLMENT: It is that time of year already to start looking towards next year. We have already been conducting tours, responded to several inquiries and received new applications for the 2020-2021 school year. It is essential that you re-enroll for next year by March 13 for three reasons. First, to guarantee your child's spot in their class. Second, to provide us with the information necessary to create our budget for the 2020-2021 school year. Third, to enable your secondary student to forecast for classes next year. Thank you and we look forward to another great year.
