**STUDENT SUSPENSION AND EXPULSION
NOTICE TO PARENT OF SPECIAL EDUCATION STUDENT**

You are hereby notified that the _____ School Board has determined that _____ [student's name] should be suspended for more than ten days.

You are further notified that this action is being referred to the _____ School District's Placement Committee, which shall immediately make a determination of whether the conduct causing the suspension arises from the student's disability or handicapping condition. If it is found to arise from the student's condition, a new individualized education program (IEP) will be established and the suspension shall thereafter cease. If the action for which the discipline is imposed did not arise from the student's handicapping condition or disability, the student will continue to receive special education and related services, but will be suspended from all other aspects of the school. The District may apply to circuit court to exclude the student from school if there is a substantial likelihood that maintaining the current placement is likely to result in injury to the pupil or others.

Finally, you are notified that you have available to you the due process rights of the state and federal special education laws.
