Dear Parent / Guardian,

This letter is to inform you that we are implementing a system that highlights, recognizes, and essentially celebrates our students that are making positive choices, both academically and behaviorally. With that, we are going to plan our first "event" for **Friday, December 9th**, toward the end of the school day (4th - 6th Hrs) to allow all **eligible** students the opportunity to participate, as many students are involved in extra-curriculars after school and transportation can sometimes be an obstacle for them to be able to participate in an evening event.

The requirements to be considered eligible for this event include:

- Must be passing **all classes** the week of the event
- No major attendance issues
- No major discipline infractions (IHP or OSS) **from the date of this letter**

Any student who is not considered eligible due to any of the above reasons will be attending study hall during this time, to work on any work to help them finish stronger and to prepare for finals that will occur the next week.

While the scheduled date seems like a long distance from now, it will be here before we know it, so we wanted to make you aware now, to partner together in encouraging your students to work hard at making positive choices! We are tentatively looking at quarterly opportunities next semester, but we felt that since the first semester is already filled with exciting things like Fall Ball and Homecoming, we would only have one event this semester.

Please feel free to reach out with any questions or concerns!

Best,

Linda Ricks, Principal
Stephanie Butler, Counselor

BJ McBride, Assistant Principal
Kelley Rampey, Counselor
