Central Intermediate families, please see the message below from our PTO. They are an integral part of what we do, and we rely heavily on our PTO to support kids and teachers. I can't overstate how important our parent-teacher relationship is, so I hope you'll consider being a part of this amazing group! We owe a great deal of gratitude to Elizabeth, Serena, Angela, Molly, and ALL of our amazing PTO parents. THANK YOU for everything you've done for our CI kids and teachers.

From our Central Intermediate PTO:

Hello Families!

Another year is almost over and the Bixby Central Intermediate PTO needs your help. It is time to set up next year's new Board and Committee Chairs, and we need YOU! There are lots of ways to help in PTO. From taking on small jobs throughout the year, leading a committee, or overseeing and organizing the whole group. If you are interested in helping in ANY way, please take the time to complete the google form below:

We wanted to go ahead and get this information out to you before our next meeting (Monday, May 16th at 7PM at the Pizza Shoppe). At this meeting, we will discuss positions, answer any questions and vote on the 2022-2023 Board. Please feel free to reach out to the current board at bcipto@bixbyps.org or message us through Facebook. Thank you so much for your consideration and support!
