Dear families and friends,

Due to the unique and temporary issues presented by the Coronavirus, the Mount Shasta Union School District is suspending the following activities:

- Dances
- Performances
- Field trips
- Interscholastic athletic competitions

The following after-school activities will continue as scheduled:

- GATE activities
- MSE music group
- Track and field practice

The rationale for this decision is to minimize our students' contact with people from other areas and to minimize how often larger groups within our community gather together.

If you have any questions please contact your child's school.

Thank you for your understanding.
