March 12, 2020

To: All BUSD Staff, Parents and Students:

Subject: "Large Gatherings" at BUSD campuses will be postponed

Direction from the California Department of Public Health (CDPH) this morning has recommended schools cancel all gatherings that bring together groups of 250 people or more. Additionally, participants at social gatherings are encouraged to have 6 feet of distance between themselves.

In addition to postponing Bronco Pride Night at BUHS tonight and Student of the Month assemblies at BES tomorrow, the district will be looking into which other events and activities this will impact and will communicate any changes with our community as soon as possible. We recognize what an impact these sorts of decisions have on all our families. and will work hard to follow and set guidelines here in the best interest of our community's well-being. We're all in this together.

Katie Kolker  
Interim Superintendent  
760-872-3680
