- Educational Plan for Dale Street Project – The draft Grades 3-5 Education Plan, and Grades 4-5 Education Plan will need to be voted on and approved by School Committee prior to the submission to MSBA.
- Additional School Committee Meeting on March 26, 2020 – I request that we schedule another School Committee Meeting for March 26th. We have a couple of budget issues we need to address before the end of the month.

 - Update on Community Visioning and School Building Committee – Enclosed in your materials is the document that highlights the results of the Education Planning Committee and Community Visioning.
